Von Zrinka Jelic : Bonded by Crimson (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bonded by Crimson (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Review for BONDED BY CRIMSONVon Anna KatmoreIts been a while since I read the romance, but Matthias and Kate stood with me for a long time after I closed the book. When Jelic started the story in a dreary moment for Kate, in an unfriendly city, it was a pleasure to go on a journey with the nanny and find myself again in a beautiful manor, set in

an idyllic landscape. The author so wonderfully broke with the typical view of nowadays heroes and heroines. In her book, they don't come perfect. No, they have flaws and traits like you'd find in the average parent. Jelic succeeded in subtly involving a ghost from Matthias' past just as well as she created a picture of beautiful Croatia that gives you the impression you're sitting under a tree right there and watching their romance evolve instead of just reading about it. Once you've reached the final page, the story leaves you wanting for more.

Kurzbeschreibung Love isn't in the cards for her After her short failed marriage, Kate tries to rebuild her life and takes a position as a nanny to three small boys. She quickly grows to love them, but their father terrifies her, while igniting a passion she didn't know she possessed. Disturbed by his distant manner with his sons, Kate struggles to make him more involved in the boys' daily lives. Her efforts are mysteriously supported by an entity that cannot really exist. Or can she? And if she does exist, is she really trying to help Kate, or just take over her body? But when he deals the hand, all bets are off Six years after his beloved wife passed away, Matthias Zrin is still trying to become the father she wanted him to be. Not an easy task for a three-centuries-old immortal. His search for the ultimate nanny ends when Kate Rokov stumbles to his home and into his arms. The immediate attraction he feels for her seems like a betrayal of his dead wife, a love he's harboured for over three hundred years. But when Kate is stalked by a deadly stranger, the life he clung to in the past begins to crumble and break down. Can Matthias learn to trust and to love again in time to save his family from disaster, or will his stubborn pride destroy everything worth living for?
