Von Sophie Duncan : Bonds of Fire (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bonds of Fire (English Edition):

Kurzbeschreibung Drekken is a dragon warrior. Bonded to his dragon, Miri, together they lead a squadron of fliers. His fliers respect him, his enemies fear him, his reputation precedes him. Yet, nothing in his life could have prepared Drekken for his greatest challenge: babysitting. Stranded after a deadly battle, separated from his squadron and Miri, Drekken finds himself the only hope for two young empaths and their nursery group of hatchlings. He must lead them all to safety and, along the way, discover some truths about himself. Bonds of Fire is a fantasy novella that contains an m/m romance.
