interessante und abwechslungsreiche Schreibart und die tollen Einfälle die er immer hat, um doch wieder auf einem ähnlichen Plot eine komplett neue Geschichte zu stricken. Jederzeit immer wieder eine Freude zu lesen. 1 von 1 Kunden fanden die folgende Rezension hilfreich. My all time favourite author. Von B. Davis I have read every single book that Paul Doherty has written, including the ones he wrote under other names. He never disappoints. Another fantastic novel that transports you back to the era he writes about. Long may he continue writing!

Kurzbeschreibung An intriguing medieval mystery featuring sleuthing monk Brother Athelstan February, 1381. A ruthless killer known as the Ignifer Fire Bringer is rampaging through London, bringing agonising death and destruction in his wake. He appears to be targeting all those involved in the recent trial and conviction of the beautiful Lady Isolda Beaumont, burned at the stake for the murder of her husband. As the late Sir Walter Beaumont was a close friend of the Regent, John of Gaunt orders Sir John Cranston and Brother Athelstan to investigate. In the dead mans possession was a copy of the mysterious Book of Fires, containing the secret formula of a devastating weapon, the so-called Greek Fire. The manuscript has since disappeared, and Gaunt is desperate for it not to fall into the hands of the Upright Men, who are busy plotting the Great Revolt. Was Isolda really guilty of murder? Who is the terrifying Fire Bringer and what does he want? Brother Athelstan is about to tackle his most challenging, and potentially dangerous, case yet.
