Wiederholung von Teil I nur etwas abgedert Von Kreuzer Es ist durchaus ein lesbare Buch, doch den Zug vom ersten Teil hat es leider nicht. Der Autor hat es nicht gewagt den Apfel weit vom Stamm rollen zu lassen. Daher verhaart man am selben Ort und der neu hinzu gekommener Charakter hat ein hohes Potenzial und gleichzeitig ein hohes Problem wie die Bibliothekarin im ersten Buch. Das war schon ganz ok gewesen, um mal hirnlos vor sich hin zu lesen, um zu entspannen. Doch die Dialoge sind nur schwache Lückenfüller, die nichts geistreiches beitragen, jedoch die Action ausbremsen. Darin werden zu viele Sachen wieder gekaut die man hätte schon abhacken können und gut ist. Eigentlich 3,5 Sterne, doch im Zweifel für den Angeklagten... 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr, sehr gut Von NiceCat Die Protagonistin ist sympathisch, die Story toll, die Welt gut beschrieben und interessant; und die Welt ändert sich in diesen Bänden. Es ist ganz grobe Erzählkunst in diesen Bänden, man wird gefesselt und will immer weiter lesen. Die Bände sind soweit abgeschlossen, dass jeweils kein Cliff-Hanger am Ende kommt, aber man kauft trotzdem das nächste Buch, weil die Welt/Story/Heldin/Freunde der Heldin usw.. alles so interessant ist. Die Protagonistin ist sehr schwach in Magie, das macht die Sache nur interessanter für den Leser, da Magie die Welt regiert. Es gibt keine auffallenden Logikfehler, keine künstliche Verlängerung der Story, keine sinnlosen Wiederholungen aus den vorigen Bänden, nur gute Story pur. Diese Bücher sind - wie die "Schooled in Magic" einfach ein Muss! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Interesting Series Von readingcat I already liked the first book of the series, and despite some negative criticism here about this second installment I didn't find it less interesting or intriguing than the first one. I'm already looking forward to the next book, as I'm interested in finding out how Elaine, Johan and the other "good ones" are going to fight against the Witch-King and those who (sometimes unwarily) help him. I like that the "good" characters have insecurities and often are tempted by their powers to do things that can or do harm others. Sometimes they give in to these temptations, yet they learn from their mistakes and try to do better. I think these temporary flaws make the characters more likable and "realistic". All in all a good read!

Kurzbeschreibung Not every ugly duckling becomes a swan ... In the wake of the disastrous attack on the Golden City, Lady Light Spinner has become Grand Sorceress and Elaine, the Bookworm, has been settling into her positions as Head Librarian and Privy Councillor. But any hope of vanishing into her books is negated when a new magician of staggering power appears in the city, one whose abilities seem to defy the known laws of magic. Johan is a Powerless, a person born to a magical family yet lacking powers of his own. His dreams of a better life are curbed by his family, who see him as a cripple at best and a burden at worst. But when a political protest goes horrifically wrong, Johan discovers that his true powers have merely been buried, waiting for their chance to explode into the world. As he comes to grips with his newfound talents, he discovers that he finally has a chance to realise his ambitions But for the Golden City, reeling after the devastation of six months earlier, he may be the greatest threat the city has ever seen. Elaine must unlock the mystery behind his powers before the political factions can kill him ... or use him to unleash a nightmare. Returning to well-loved characters from Christopher Nuttall's bestselling Bookworm and introducing new ones, Bookworm II: The Very Ugly Duckling explores power and the effect it has on the human mind.
