KurzbeschreibungDead Heat Ranch Novella, #0.5Note: This novella was previously published in the Some Like It Hot Anthology. Although the story has not changed, this version contains a short bonus scene.New York Times bestselling author Nicole Edwards is heating things up with Boots Optional, a sexy new mnage novella which is the first book in a hot new series called Dead Heat Ranch. Grace Lambert is familiar with hard work, long days, and handsome cowboys. Shes been working for her familys dude ranch since she was old enough to ride a horse and shes not afraid to get her hands dirty. What she is afraid of is the heat thats been generating between her and not one, but two sexy cowboys whove set their sights on her. And each other. Grant Kingsley and Lane Miller have both had their eyes on Gracie for years, but the feisty cowgirl has managed to keep them at bay. As far as they are concerned, cowboys dont give up, and neither of them is ready to give up just yet. Not on her and not on the heat that transpires between the two of them. Find out what happens when the sultry Texas nights get as hot as the fierce Texas days.Erotic RomanceMature Audiences\*contains m/f/m, m/f and m/m interactions.
