und mal was ganz anderes... Von maMadame "Border Bride" von Shannon Donnelly ist eine schne Geschichte ber eine Frau auf der Flucht nach Gretna Green um einer Zwangsehe zu entkommen und um einen Mann zu heiraten, den sie vor kurzer Zeit kennen gelernt hat, sich aber dann auf dieser Flucht in den Freund dieses Mannes, welcher bei der Flucht den beiden zur Seite steht, dann wirklich verliebt. Gut geschrieben und nachvollziehbare Entwicklung fr eine Kurzgeschichte stimmt hier alles. Hat ein bisschen was von road-movie-Feeling, aber wenig Romantik. Wurde auch in der Anthology "A Collection of Regency" und "My Dashing Groom" verffentlicht.

Kurzbeschreibung With two men on an elopement to Gretna Green, who is the right groom? With her mercenary family set against her throwing herself away on an army officer, Claire Roxburgh sees no choice but to elope to Gretna Green for a marriage across the anvil. But on the journey north, she discovers that the best man for her may actually be her captain's best man. Captain Alan Carlton is ready to think his friend has found himself a flighty, headstrong girl who else would elope in the dead of night with Harry? But Claire's sunny nature and her ability to withstand any hardship, leaves Carlton impatient with his friend for not valuing this girl. By the time they reach Gretna, he has become more than a friend to her. But how can he betray his friend to marry the woman he loves?
