First Vicky Bliss Von Daniela Kraml When I first met Vicky I instantly fell in love! Vicky always makes me smile and this book is no exception. Starting with a wager between Vicky and Tony the adventure begins and it is a fast paced , very amusing adventure. Although John is not yet part of the cast we encounter Schmidt for the first time. Enjoy!

Kurzbeschreibung A new heroine from the creator of the internationally bestselling Amelia Peabody series A missing masterwork in wood, the last creation of a master carver who died in the violent tumult of sixteenth century Germany, may be hidden in the medieval castle in the town of Rothenburg. The prize has called to Vicky Bliss, drawing her and an arrogant male colleague into the forbidding citadel and its dark secrets. But the treasure hunt soon turns deadly. Here, where the blood of the long forgotten stains ancient stones, Vicky must face two perilous possibilities: either a powerful supernatural evil inhabits the place... or someone frighteningly real is willing to kill for what Vicky is determined to find.
