noch besser als der Vorgänger Von Fuchs Joan Hier bietet sich ein solides Stück Arbeit, das sich ausgesprochen gut liest. Weniger vage als der Vorgänger, zeigt sich hier ein Detailreichtum und eine Farbigekeit der Charaktere, welche wirklich sehr beeindruckend ist. Auch ist es weniger gewalttätig als der erste Band. Wirklich gelungen, man kann den dritten Band kaum erwarten.

**Kurzbeschreibung**In AD 60, Boudica, war leader of the Iceni, led her people in a final bloody revolt against the occupying armies of Rome - the culmination of nearly twenty years of resistance against an occupying force that sought to crush the vibrant native civilization of our island home ...**Dreaming The Bull** continues the story of Breaca - now hailed Boudica, the Bringer of Victory, and her half-brother, Bn, now an officer in the Roman auxiliary cavalry. Each stands on the opposing side in a brutal war of attrition between the occupying army and the defeated tribes, each is determined to see the other dead. Caught between them are two children, son and daughter to two of the greatest warriors their world has ever seen. While in distant Rome, the Emperor Claudius holds the balance of lives in their hands. This is a heart-stopping story of war and of peace; of love, passion and betrayal; of druids and gods in a world where each life is sacred but each death even more so ...**Pressestimmen**"A deeply emotional and affecting work.... Finely and lyrically written."**Publishers Weekly**Praise for **Dreaming the Eagle**: [Scotts] characters are so true to life that they all but jump off the page, and the story is alive with the love, deceit, wisdom and heroics of humanity. Read it and enjoy!**Jean M. Auel**, bestselling author of **The Shelters of Stone****Manda Scott** has created a fictional universe all of her own, but close enough to our reality for it both to warm and break our hearts. **Breathtakingly good**, it reveals the best and worst in all of us.**Val McDermid**A stunning feat of the imagination and an absolute must-read for lovers of historical fiction.**Steven Pressfield**, author of **Tides of War** and **Gates of Fire**Definitely not a tired old retelling of a legend, this novel is beautifully written and lovingly told, filled with drama and passion. . . . Highly recommended.**Library Journal**From the Hardcover edition.**Pressestimmen**"A deeply emotional and affecting work....
