Sehr schnVon BcherliebeMillionr sucht Leihmutter.Es ist zwar nicht die originellste Handlung und das Ende ist auch von Anfang an klar, aber die Geschichte ist so liebevoll geschrieben, dass es einfach Spa macht, das Paar zu begleiten und ihrem beim Happy End entgegenzufiebern.

KurzbeschreibungChicago's Most Eligible Bachelor, Burke Bishop, wanted a childbut didn't want to be shackled by

marriage. Surrogacy seemed the only solution. When he met gorgeous Shannon Moriarity he knew he'd found the perfect mother for his baby. For reasons she wouldn't say, Shannon accepted his high-price offer and requested they keep things strictly business. They conceived without touching, yet Burke found himself craving Shannon's warmth and demanded she move into his penthouse. Soon, the close quarters elevated their relationship into intimate territory where neither could deny the bond they shared. But when their contract was fulfilled, would they find a prize richer than money could buy?
