Her brother Mark is in prison, but he is innocent. She knows that someone tried to frame him. The big problem is that no one wants to believe her. She tried to hire the top electronic security expert in the country, Rafe Dawson, but he didn't listen to her pleas, when she had

called him. So she has to use more drastic measures. When Rafe arrives in Tampa to work for the bank, where Mark had worked and where the embellishment took place, she greets him at the airport and tells him that she works for the bank and that she is his hostess. Rafe is immediately attracted to her and follows her to the limo that waits for them. Kerry's plan is set into motion, she drugs and kidnaps him. It was a well-thought plan, but there is one thing that she didn't include in this plan, her own attraction toward Rafe. Soon she is more Rafe's prisoner than he is hers. Together they work on clearing Mark's name and fighting some demons from Rafe's past. This book is a wonderful story. It's a fun read. Kerry and Rafe are a perfect team and the interaction between those two is described in a great way. The sparks are flying between those two and the pages are sometimes burning. The suspense part of the story is also very well written. I love it when you not immediately know who the real criminal is. All together the book is a real page turner and you won't be able to put it down. I can hardly wait for the sequel "Strip Search".

Kurzbeschreibung WANTED FOR KIDNAPPING: a beautiful blonde with a penchant for trouble. May be armed (with bad intentions) and dangerously seductive Kerry Sullivan is running out of time and patience. With her brother wrongfully accused of embezzling millions, she can't face one more humiliating hang-up from the man she's begging for help. Rafael Dawson may be one of the top electronic security experts in the country and the only man who can prove her brother's innocence but his phone manners are appalling. Damn Yankee. Too bad kidnapping the man isn't an option. Or is it? There's nothing Kerry wouldn't do for her brother. There are lots of things she longs to do to Rafe Dawson when he's lying tied up and naked in Kerry's secret hideaway. Rafe is certainly something to look at, but her brother's life is riding on her pulling off the impossible: getting this man who's always in control to lose it. But when the tables are turned, Kerry finds herself at Rafe's mercy. And the only way to get her way is to let him have his way with her.
