Von Kendra Leigh : Bound for Hell: (The Bound Trilogy Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bound for Hell: (The Bound Trilogy Book 1) (English Edition):

Kurzbeschreibung Sometimes the Hell you fear isn't a place at all. Sometimes it's the life you're living. A life filled with darkness, isolation, guilt and remorse - for a sin you're convinced you committed, yet can't remember. A life filled with shallow relationships because the risk of opening your heart is more frightening than living with your inner demons. On the surface, Angel Lawson is a poised, confident photographer and successful gallery owner. But underneath, she lives her days in constant fear of exposure, and her nights tormented by nightmares. She has spent years building impenetrable walls to keep the demons at bay. And then she meets the powerful, persistent billionaire, Ethan Wilde the one man who sees past the barriers and bravado to her brokenness. Ethan is as intense as he is sinfully sexy. A man so irretrievably captivated, he is determined to possess her mind, body and soul. But can he help her heal it? Can Angel risk leaving her safe life behind, or is the choice no longer hers? Ethan Wilde is used to getting what he wants and what he wants is Angel. Perfect for fans of Fifty Shades of Grey, Sylvia Day Crossfire Series and Jodi Ellen Malpas This Man Trilogy. Relentlessly sexy. Emotionally deep. Tangled, twisted, intricately woven love story with romance and suspense.

ber den Autor und weitere Mitwirkende Kendra Leigh fell in love with words and reading as a young child. She was captivated when Enid Blyton whisked her away to the magical lands at the top of the Faraway Tree with Moon-face and the rest of the gang. Now, of course, she has more of a fondness for chocolate, cheese and hot men in suits not necessarily in that order. Kendra devotes her life to her devilishly handsome partner, scandalously beautiful daughter and cute as hell Shih-Tzu. She believes in love at first sight, and as well as writing and reading, Kendra has a passion for great movies and brilliantly written TV. The bestselling Bound Trilogy is her debut series. She is currently plotting and weaving a spin-off series to feature well-loved characters from the trilogy.
