Von Amanda Ware : Bound to Serve (Nexus) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bound to Serve (Nexus):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich.

Elegantly Written, Erotic and Extraordinarily Sexual Von Ein Kunde This is the second of three books following the same "heroine" through a trying group of masters and mistresses. There IS A PLOT, complete with character development, a sense of suspense and excellent prose. Strongly recommended for those who like literate erotica. Substantially superior to other books in the same genre, one can read the book, follow the story and, at the same time, heartily enjoy the descriptions of Caroline's submission. Buy the next installment (Bound to Submit) and, if you can find it, the beginning of the trilogy (Bound to Obey). One can trace the writer's increasing skill through each of the books.

Kurzbeschreibung Caroline West is facing up to the absence of her master, Liam, as he battles to save himself from bankruptcy. When the cruel and manipulative Clive offers her a means of helping him, on the condition that she becomes his slave for three weeks, she does not hesitate and is soon signed over to him. Falling into Clive's trap, Caroline undergoes all manner of humiliations before being handed over to her former mistress - Lynne - for even more severe training. Unbeknownst to Clive, Lynne is a friend of Liam and is convinced that Caroline is betraying her master. Poor Caroline now has to face harsh treatment at the hands of Lynne; treatment which she finds is more and more to her liking.
