book by Beth Kery Von Iva Written very good and interesting. Beth Kery doesn't disappoint also in this novella. Although short it is a nice reading in the great style of the author.

Kurzbeschreibung From the New York Times ebook bestselling author of the Because You Are Mine series and The Affair, for fans for Sylvia Day, J. Kenner and Maya Banks. This is the second in Beth Kery's One Night of Passion series about a group of connected characters who each begin their romance with a night of impulsive, steamy sex... John Corcoran loved the isolation of the Shawnee National Forest. Isolation is what movie star Jennifer Turner craved too, an escape that only a weekend away from Hollywood could provide. Yesterday, they were strangers - until a fateful accident throws them together and plunges them into darkness. For Jennifer it is as unnerving as the night itself, trapped in such close quarters with a man as mysterious as John. He is alpha: bold, rough, and masculine, but with a scent she finds intoxicating. In the dark, Jennifer's nightmares spring to life. The only way to vanquish them is by submitting to blind, naked need. Now, as intimately close as a man and a woman can be, they find themselves alone. Only an unexpected passion will comfort them - a sensual experience from which neither is certain they want to be rescued. \*\*\*This was previously published under the author's pseudonym Bethany Kane\*\*\* Lose yourself in One Night of Passion: Addicted To You, Bound To You, Captured By You, Exposed To You, Only For You.
