**READ-CAPTIVATING SIZZLING ROMANCE** Von midniteinkBound Wolf In Exile-Book 4.5-A romantic sizzling holiday story. The story features; Thane, a heart-stopping gorgeous, muscular, intelligent, powerful vampire; Kalena, a sultry, audacious, beautiful human, who leaves Thane breathless. What you'll find in this story; a cast of remarkable, impressive and engaging characters, superb banter, spectacular story-line, powerful vivid scene descriptions, gripping suspense, lives in jeopardy, surprises, camaraderie, pent-up rage, jaw-dropping heart-pounding sensual romance, and a fabulous heart-warming conclusion that leaves you wanting more. No longer a wolf, but a powerful vampire, Kane has insecurities that Kalena may fall out of love with him because of what he is now. Kane has planned a dreamy Christmas surprise for Kalena, but horrific danger lurks in the shadows and is on its way to the Silex home. **FANTASTIC** well written fast paced read by a genuinely gifted author. The characters are convincing and come alive with breathtaking scene descriptions. The romance is steamy and passionate. I enjoyed this story, a gratifying read from beginning to end. If you dote on paranormal romance, and suspense, this is an excellent choice for your library. {I received a copy of this for a completely honest review}. In the world of fantasy romance the possibilities are endless and always fascinating. Without reservations I highly recommend this book and series.
