Von Jerome Wilde : Boy Crucified (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Boy Crucified (English Edition):

Kurzbeschreibung When the body of a crucified boy is found by the river in Kansas City, Lieutenant Thomas Noel, a priest turned homicide detective, is assigned the case. In their search for the boys killer, Noel and his new partner, Daniel Qo, follow the clues to a secretive traditional Catholic group located in the Missouri countryside. Then another body turns up, and the hunt intensifies. But Noels investigation hits too close to home and attracts the attention of the killer.
