Von JL Merrow, Josephine Myles : Boy Meets Boy Meets Boy (Mad About the Brit Boys) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Boy Meets Boy Meets Boy (Mad About the Brit Boys) (English Edition):

stories; all featuring threesomes. When I started this anthology I expected three hot stories and Josephine Myles and JL Merrow definitely didn't disappoint! I enjoyed all three stories so much! Kit Bag by JL Merrow: The first story is about Kit who works in a fitness studio and has been watching and fantasising about two guys who come regularly to the gym. One day they call him under false pretences and it doesn't take long for things to get heated. ;) This is the shortest of the three stories and while I still enjoyed it, I was sad that it was so short. I would have definitely liked to have a bit more of those three. Unwrapped: The Birthday Gift by Josephine Myles: This one was definitely my favourite out of all stories. The story starts out in a pub where Dave (the birthday boy!) and Mark are looking for a third guy to join them as a birthday gift for Dave. They have been together for a while but want to heat things up a bit. They choose Pedro, a slightly older guy. I liked the dynamics between the characters in the story. Dave is a bit unsure whether his relationship with Mark can endure this little adventure, but they talk about it, and Dave realises that he can trust his partner. Josephine Myles managed it to add character growth in this short story AND add hot sex. Getting A Filling by JL Merrow: The story starts with Ivo and his boyfriend in the waiting room at the dentist. Ivo is afraid to go alone so Colin has to accompany him to make sure that Ivo actually goes and sees the (hot) dentist. I LOVED how Colin teased Ivo the whole time they were there. Their banter was cute and definitely a highlight of this story. And the sex scenes were hot. I liked the chemistry between the three of them. They fit together really well. Overall I really enjoyed this anthology and I'll definitely check out the other stories in this series. With 34 pages it's definitely not long, but features three really nice, well-written and sexy stories. Boy Meets Boy Meets Boy is perfect if you're just looking for a quick read inbetween!

Kurzbeschreibung Good men come in threes! Threes definitely not a crowd in this trio of contemporary erotic male/male/male mnages with a very British flavour from gay romance favourites Josephine Myles and JL Merrow. Let your fantasies run wild as you take in the fit bodies down at the gym, or enjoy a very special birthday present from a loving partner. And even a trip to the dentist can be enjoyable with the right sort of distraction! These stories have all been previously published, but are now available exclusively in this anthology.
