Von Allyson James, Jennifer Ashley : Braden (Tales of the Shareem Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Braden (Tales of the Shareem Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A nice story to read on a rainy dayVon CustomerIt is no big literature but nice and entertaining enough. All the shareem books are a kind of longer short stories, but after reading most of them the characters had time to develop a bit, even if

the cast is a bit stereotypical. If you like a blend of fantasy, romance, eroticism you might like the shareem.

**Kurzbeschreibung**Tales of the Shareem: Braden (Book 5) is a novel of 53,000 words, eighteen chapters. Braden, a level-three Shareem, never thought he'd find anything interesting in a library, of all places. That is, until he spies Elisa nArell sitting behind a reference desk. She's lovely, polite, and uses cute words like mustnt. The trouble is, the pretty librarian is a registered celibate, off-limits, forbidden, especially for the nearly outlawed Shareem. The second problem is, Braden has come into the library to research the problem of getting Shareem off the planet, an activity that could get him arrested and all Shareem killed. He needs the librarians help to get into restricted databases, but he can't tell her why. Elisa knows good and well that her motives for taking the robes of a celibate were less than pure. When Braden walks into her library, he takes her breath away. He tempts her to put aside her vows for a time and find out what she's sacrificing. At the same time she's determined to discover why Braden tricked her into giving him clearance for restricted information, and then was so bent on giving her presents in return. Elisa asks Braden to teach her, and enters a world of heat and passion she'd never known existed. Too late, Elisa finds that forbidden fruit tastes the best of all . . . Note: This novel is for readers over the age of eighteen. Includes scorching scenes, language, and some brief mfm.
