Good SeriesIt's an easy to read book with a entertaining Story which developes as we go along with the hero. The hero is a bit nVon RobertIt's an easy to read book with a entertaining Story which developes as we go along with the hero.The hero is a bit naive at times and you want too punch him in the face because he obviously is going to mess something

up. But you get to like him and the other Characters and they all undertake a development throughout the Series. If you like to just relax with a good book I recommend the series. I think it is aimed at a younger audience but if you like Magic and a Youth to Adult journey, this book could be for you. I strongly recommend that you start with Inexperienced Mage and read it in order, if you don't you might still enjoy the book but won't get the overall picture also there are some Events which will make no sense if you don't know the previous books from the Series. Overall I give four Stars. I will Post this review under every book. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend aber Fehlerkorrektur notwendig Von Heike Sabine Daby Spannende Fortsetzung von Teil I, werde auch Teil III lesen. Leider hat niemand Korrektur gelesen und vor allem im 2. Teil des Buches finde ich sehr viele Rechtschreibfehler, was das Lesevergnügen etwas reduziert. Darum Punkteabzug. 0 von 0 Kunden fanden die folgende Rezension hilfreich. 2tes Buch der Saga Von Tim Lucks Die Story schreitet ein klein wenig fort und die Welt wird ein wenig mehr ausgebaut. Buch wieder sehr kurz aber zum Glück sind die Fehler auch weniger geworden.

Kurzbeschreibung edited 3/24/13 After thousands of years without magic, Thad a young man has reawakened the lost art. The only problem is that he is being held prisoner by the queen of Farlan a country where men are second class citizens. With rebellion and war knocking on the Queendom's door, Queen Serena must try and convince Thad to aid her or else her country will fall to the militant rule of the oppressive Ablaians.
