READ-CAPTIVATING SIZZLING ROMANCE Von midniteink BRAVEST FLAME-MYTHICAL KNIGHTS-A SPINE-CHILLING SIZZLING ROMANCE. This story features; DENISE, a curvaceous, sassy human; Chase, a buffed, blue-eyed, heart-stirring powerful wolf-shifter. What you'll find in this story; a cast of remarkable impressive and engaging characters, spectacular story-line, sensational vivid scene descriptions, phenomenal banter, action packed, gut-wrenching moments, pent up rage, gripping suspense, magical moments, life threatening moments, horrific danger, emotions spiral, camaraderie, family love, jaw-dropping earth-shattering sensual romance leaving you awe-struck, and a melt your heart conclusion leaving you craving more. Denise works from home as a medical transcriber, and writes historical romance novels leaving no time for controlling relationships. Taking time to work out at the YMCA, she admires the hot muscular builds of the firefighters from a distance. Chase, the youngest of the Drigan brothers is a female magnet, always surrounded by them like bees to honey at the gym. The only one that draws Chases attention is Denise. Denise does find Chase attractive, but his age is an issue for her; in Chases world age is of no consequence. Chase loves Denises audacious behavior and persuades her to date him. When out on a date with Chase, Denise becomes possessed, and is thrown full throttle into the nightmarish world of mythical creatures she thought only existed in fantasy romance. Pent-up rage catapults Chase into full protection mode, and he will do anything to keep the woman who has won his heart safe. WOW-INCREDIBLE fast paced well written imaginative read by a truly gifted author. I relished this story; thrilling action and hold-your-breath suspense keeps you glued till the end. The characters come alive with the creative plot, powerful vivid scene descriptions, and fantastic dialogue. The romance between Chase and Denise is filled with fiery passion and undying adoration. You cant help by love and cheer for the awesome characters in this story. If you treasure shifter romance with action and fiery passion this is a terrific book for your library. {I received a gift of this book and this is my completely honest review}. In the world of fantasy romance the possibilities are endless and always fascinating. Without reservations I recommend this book.

Kurzbeschreibung All it takes is a spark Bravest Flame, Mythical Knights Book 3 Meeting Chase Drigan seems sweet enough--a fire fighter helping out a citizen when her tire's flat at the YMCA. Yet the draw to this man pique's Denise Matthew's interest. Sort of. Denise doesn't have time for a lot of silly dating games--men tend to want her undivided attention, but she has stuff to do. Intrigued by Denise--Chase's wolfly beast roars to life under his skin, in a way he's never fathomed before. Was this what happened to his brothers David, Neil and Caleb? As a fire fighter, Chase had seen a lot, but this was different from anything else he knew. One night, while playing pool with Chase, a stranger approaches Denise, giving her a magical curse that could destroy the world. Chase's beast roars to life, ready to protect her, but it might be too late. Denise has to be willing to believe that there's more to the world than humans, to get through this trial by fire.
