What a disappointment!Von SimbaI started out with the first book, "Savage Estasy", which I thought was well written, very entertaining and almost believable (which is of course a stretch for any romance novel!). The second book was OK, the third was getting a little bit stupid and the fourth - "Brazen Estasy" just made me want to throw up! What in God's name was Ms Taylor thinking? Nothing about this book was consistant with the other stories. Grey Eagle suddenly had morals, Alisha had the maturity of a 12 year old and their constant repetative whining was boring. The villianess (Leah) would have been killed in her opening scene if the author was in the same mind-set as she was in the earlier books. At no time did this book touch reality. And, worse yet - even the sex scenes anoyed me. I guess the only reason I continued to read it was because I kept waiting for something to happen that would somehow pull the whole thing together! It never happened. Ugh! I'm done with this series.0 von 0 Kunden fanden die folgende Rezension hilfreich. Series is GREATVon Ein KundeMs. Taylor is fantastic. This story switched gears from the previous two and I liked the changes. The bittersweet trials and tribulations that the characters edured were incredible. I can't wait to read the whole series.0 von 0 Kunden fanden die folgende Rezension hilfreich. LOVED ITVon Ein KundeAgain Janelle has outdidid herself. I loved this story and was fascinated by the colorful disputes between the lovers and the shamful Lea. I couldn't put this one down and finished it in 1 day.

KurzbeschreibungKiss the night wind. . .Whispered kisses. . .Follow the wind. . . Janelle Taylor creates unforgettable and sweeping historical sagas filled with enthralling passion and exciting adventure, but none so memorable as the enduring love of the Oglala chief Gray Eagle and his beloved white bride Alisha. And their love story continues. . . Brazen Ecstasy For four years, green-eyed Alisha Williams had been Princess Shalee, the cherished wife of the Oglala chief Gray Eagle. But fate envied their perfect love and swept the stunning Alisha down a raging river and out of Gray Eagle's life. There was no way Gray Eagle could know that his love was alive, but the daily torment of his lonely heart and the nightly agony of unfulfilled passion insisted that somehow she had survived destiny's decree. He had rescued Alisha many times before--somehow he would find her once more for their everlasting love could never keep them apart!KurzbeschreibungKiss the night wind. . .Whispered kisses. . .Follow the wind. . .
