Kurzbeschreibung Existence is more than just a word, its a state of being. More importantly, its my state of being. Day by day I go through the motions of livingeat, breathe, work, sleep. When I finally get some help at work it comes in the form of Nathan Thorne. Hes sexy, cocky, arrogant, an asshole, and total bullshit. I see through the faade to the turbulent man beneath, but Im not the only one who can see through masks. One late night the tension between us explodes, starting a lust filled craving for each other. All it takes is that night and his dirty talking mouth, and Im his. Now sex is in the mix. Violent and dirty and passionate and everything I need to fill the void inside me but one thing is missinghe can never love me. Its not enough for me to leave, even though I know I should. More than my heart is on the line, and I dont know if Ill survive our breach.
