Romance Kindle Edition Breakaway a Great Read! Von Warrior Princess Romance Kindle Edition Breakaway by Cathy Wilson is worth a few minutes of your time to read! You don't have to be a hockey lover to appreciate this wonderful romance between Marcus, a somewhat reclusive hockey player and Trista, a young single mother with a complicated past. I enjoyed the tight plot, exciting twists and turns and well-drawn characters. But what I love most about this book is the author's ability to portray Trista's inner conflict and her attempts to figure out who Marcus really is and whether their relationship has potential. Trista is a fascinating and realistic character that readers will be able to relate to and root for. A wonderful novella! Five stars.

KurzbeschreibungBreak-Away: Fiction Hockey Romance is a hockey romance love story challenging the creation of love itself. Is love something manifested through experience, wants, needs, desire and luck? Or is love just "there?" Perhaps the seed of love is planted by the spiritual energies of the universe, after which fate dictates. True love manifested, dependent on circumstance?? A hockey romance book that perhaps misses out on the fairy-tail ending? A tale of two lives so inertly different, interconnecting with a passion for hockey. Marcus... a young man you normally wouldn't notice. Rather plain looking, not many friends, more like acquaintances, and definitely a different breed. A people pleaser you could say. Used often by acquaintances and discarded afterwards. Marcus grounds himself playing hockey, the only time he can shut his "thoughts" off. A man looking for something and just happens to fall head over heels for a wonderful woman at a vulnerable time in her life. Meet Trista... a single young mother of three struggling to make ends meet. Desperate to give her kids the world, but unable to accept the support she needs to do so. Strong willed, determined, trusting, forgiving, with a carefree spirit, and dangerous unguarded heart. They meet . . . Her gut says no. Her head says yes. A decision that will change her life forever. Deep dark secrets uncovered, wrongs trying to be made right. Should Trista follow her inert instincts, vulnerable head, or confused head? A contemporary romance novel dipped in hockey - the best! Everyone has a story . . . Here's Trista's Download your copy TODAY! \*\*\*Book THREE of Fiction Hockey Romance Series HAT TRICK. ber den Autor und weitere Mitwirkende You create your reality, and boundaries are self-made. If you believe in something with all your heart and soul, it will happen, good or bad. I grew up on a farm, and learned early on what hard work really is. Persevering through many tough lessons, and establishing a sound, balanced, and solid platform from which to build. My name is Cathy Wilson, and I'm a happy mom and successful published writer. I've got an insanely diverse published writing portfolio. Certainly enough to make your head spin! During my 20 plus years of writing experience, most was as a ghostwriter. I've recently switched gears to eBooks and professional SEO, on track to build my online authority and Masterful Book Empire Mountain! Every single day for as long as I can remember, I have written. I'll continue to do just that, as long as my magical fingers want to. My Ultimate Goal - Up High in the Sky - Past the Fluffy White Clouds - a Few Miles from "Fairy-Ville," and Distant Enough from the Sun I don't get a Nasty Burn? Transforming myself further with persistent hard work, into the "go to girl" for anything and everything "writing." The main course will be eBooks, with a side of SEO/Keyword online Social Media Marketing Writing. Cathy Wilson with be "IT!" You name it and I've done it top to bottom. Sharing this often overwhelming wealth of information with you, the reader, is my purpose. I'm a dreamer that looks for the good in everything, and runs from the negative. When my

magical fingers dance across the keys, my heart and soul pours out. I use my magnetic and knowledgeable personality, to capture the attention of the target audience. Delivering beyond expectations every time. You can think of me as a teacher, but of writing. An escape from reality for some, if you like. I magically pull out that emotional connection, that a good writer needs to succeed. And if I can help just one person with my words, I've succeeded! A Little of my Nature??? I believe in Santa Claus, The Easter Bunny, The Sandman, and The Tooth Fairy. There's no fun in a "closed mind" now is there? I've written every day since I've been about 10, and only recently transformed it into my focus. Aside from being a mom and staying healthy, writing is "it" for me. Information is knowledge, and knowledge is power. And with every word I write, I'm learning and becoming a better writer.
