KurzbeschreibungLee "I was drunk, but not drunk enough not to notice him. Good Lord, he was beautiful. Did boys like him really exist? I thought I might be imagining him. A head of dark, unruly hair framed his face. His eyes were a striking shade of deep ocean blue, seductive and entrancing, with long dark eyelashes and perfect eyebrows. His eyes danced with humor and his full lips turned up into a half smile, exposing the cutest dimple in his cheek. It was more than cute. It was hot. He smiled crookedly and lifted the bottle up. 'You wanna take a shot with me, sweetheart?' The huskiness of his voice made him sound dangerous, yet he was soft spoken an enigma." Eighteen year old Lee Bennett is broken, and running from the secrets of her past that seem hell bent on tearing her apart. When she arrives at childhood friend Cam's doorstep, she hopes to find comfort closure. The last person she expected to meet is Kyle Carter. Kyle is everything Lee's been warned to stay away from, yet everything she's drawn to. His boldness, flirtatious nature and jaw dropping good looks have Lee's head in a spin and she can't seem to stay away. But the secrets of her past still haunt her, which makes her attraction to Kyle all the more scary. Kyle "I was going to have to make sure Lee stayed away from me. She was a fucking temptation and the girl made me weak. I didn't do weakness." Kyle Carter can't keep his eyes off his hot new roommate, or his hands. Lee is fresh, innocent, and everything Kyle knows he can't have. But that doesn't stop him from wanting her. The pressure of living together combined with their sizzling chemistry fuels an unstoppable liaison. Due to its explicit content Break my Fall is recommended for readers of eighteen years or above.
