Von Edward W. Robertson : Breakers (Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Breakers (Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Worth reading them all Von Happygran I got the first 3 of these for nothing on my kindle. I read them one after another as I really wanted to know how the story continued. I am now up to book 6 (Captives). I really like the way the story is told from the view point of different characters with the overall picture becoming visible in stages. All the roles intertwine

somewhere along the line and people we met in the first books crop up later. Sorry spoiler. There is humour in a surprising ways; there is of course drama, pain, love and everything else a book needs to make it interesting. I can thouroughly recommend all of the books even if you are not into Doomsday scenarios.0 von 0 Kunden fanden die folgende Rezension hilfreich. superVon ElisabethEin Virus wtet und dann kommen die Aliens. Es gibt verschiedene Handlungsebenen, die sich irgendwann kreuzen, sehr schn geschrieben, kann das Buch nur empfehlen.

KurzbeschreibungIn New York, Walt Lawson is about to lose his girlfriend Vanessa. In Los Angeles, Raymond and Mia James are about to lose their house. Within days, none of it will matter. When Vanessa dies of the flu, Walt is devastated. But she isn't the last. The virus quickly kills billions, reducing New York to an open grave and LA to a chaotic wilderness of violence and fires. As Raymond and Mia hole up in an abandoned mansion, where they learn to function without electricity, running water, or neighbors, Walt begins an existential walk to LA, where Vanessa had planned to move when she left him. He expects to die along the way. Months later, a massive vessel appears above Santa Monica Bay. Walt is attacked by a crablike monstrosity in a mountain stream. The virus that ended humanity wasn't created by humans. It was inflicted from outside. The colonists who sent it are ready to finish the job--and Earth's survivors may be too few and too weak to resist. ____BREAKERS is the first book in the post-apocalyptic Breakers series, which is now complete. KurzbeschreibungIn New York, Walt Lawson is about to lose his girlfriend Vanessa. In Los Angeles, Raymond and Mia James are about to lose their house. Within days, none of it will matter. When Vanessa dies of the flu, Walt is devastated. But she isn't the last. The virus quickly kills billions, reducing New York to an open grave and LA to a chaotic wilderness of violence and fires. The colonists who sent it are ready to finish the job--and Earth's survivors may be too few and too weak to resist. ____BREAKERS is the first book in the post-apocalyptic Breakers series, which is now complete. ber den Autor und weitere MitwirkendeEd's short fiction has appeared in a few dozen magazines and anthologies, including AE and Fantastique Unfettered. In addition to the Breakers novels, he's the author of the epic fantasy series The Cycle of Arawn. Born in the Pacific Northwest, he currently lives in the LA area with his fiancée. As with all authors, he has the mandatory two dogs and one cat.
