Von Calista Smith : Breaking Down (The Breaking Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Breaking Down (The Breaking Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Heart wrenching and addictive.Von JimThis exceptional young adult story will draw you in and keep you turning pages. The characters are complex and real. The situations are at times painful, at other times touching, and always entertaining.

The book is a well done and complete coming of age story. As such, it is not unusual that it has some unresolved elements that leave you wanting more. Boy does it ever leave you wanting more! Im actually quite anxious to read the next installment, but I wont say why. Youll have to read it for yourself. You wont be disappointed.

KurzbeschreibungRaquel, "Rocky" as her friends call her, is an introverted girl, on the brink of turning eighteen. Having already been dealt a bad hand recently, her life gets even more complicated when her parent's divorce forces her to relocate with her mom to the city of Rancho Cucamonga, California. She will be facing her senior year in a new high school. Fortunately Natalia, her best friend since birth, will be there. It's the one thing keeping Rocky from completely going off the deep end. She plans to stay focused on her future, which includes trying to join the Peace Corps. Then in walks Dante. He's cocky, handsome, well-built, popular and so not her type. She is determined to keep her distance. The last thing she needs is someone prying into her past. Dante loves a challenge though, and when his relentless pursuit captures her attention, she just can't stop herself from falling for him. They soon realize that things aren't always what they seem and find themselves forging an intense bond. But when life continues to hand them obstacle after obstacle, can their new found love help save her or will she finally find herself Breaking Down? **Note: This book contains strong language, mature topics and sexual content. **KurzbeschreibungRaquel, "Rocky" as her friends call her, is an introverted girl, on the brink of turning eighteen.
