ber den Autor und weitere MitwirkendeAllana lives in Dundee, Scotland with her husband and two daughters. She has always had a passion for reading and until a few years ago, started secretly writing. She had always debated sharing it but never had the confidence to do so, until now. In her words; 'Life is too short to regret things we could have done and wishing the should've, would've, could've's.' She wants to show not only her dithers but to everyone else, that you can do whatever you want when you put your mind to it. She loves reading a range of genres, particularly MC, Mafia and romance. Other than reading and writing, Allana loves to help out other authors, watching WWE, dancing around the room with her daughters, or at the cinema with her husband. She also loves to bake, it's her stress reliever.
