little companion novella to BROKEN EVER AFTER (please read BEA before starting Breaking Her) Von Bianca @BJSBB4.9 STARS My Opinion: Riley was hired, by his uncle Frank, as the security guy for Austin and his niece Olivia. Frank and his 'girlfriend' are the bad guys here - we already know that from reading Broken Ever After. They want Riley to get close to Liv so that they can somehow get the codes for all her inherited bank accounts. They think they deserve the money more than her. But when Riley finds out what they're really planning for Olivia it's almost too late. He started falling for her the first time he saw her. This young girl - who was having an affair with her teacher. But said teacher hurt Liv - mostly because Riley helped in causing those situations as part of his uncle's plan. But it was never his intention to hurt Olivia..... Will there be a chance for Riley and Olivia? Or does she still want to be with the teacher-guy?? I'm not telling you that of course I don't want to spoil your reading pleasure and - we don't really find out anything anyway..... we all read Broken Ever After - so we know how it all ends - BUT it's not really ending yet - there will be more coming _____ I ENJOYED THE BOOK A LOT It was exciting, sexy, funny..... It was sooooo short though :(But I was reallllly happy to read Riley's POV - we really needed to see what his motivation was behind this whole thing. It helped to understand him. He didn't appear all that nice in Broken Ever After.... but now we love him - but we also loved Jamie in BEA :(so - who do we want Liv to end up with??? Can we have both??? YES PLEASE NATALIE!!! Let's make this a mnage-relationship Everybody who read loved Broken Ever After needs to read this novella!!! There were so many questions left unanswered in BEA - and there still are - but this book really helps us to survive the time until we can get our hands on book #2 Please hurry up Natalie - I need to know what will happen!!

Kurzbeschreibung I had one job - to break her. Olivia Stevens had stolen a life that was meant for another, I had to do whatever it would take to get it back for them. Pushing Olivia beyond breaking point proves too much for Connor Riley to handle. When he wants nothing more than to stop what his evil uncle has set in motion for Olivia, what happens when he is the one pushed to breaking point? **Contains language and scenarios which some readers may find offensive and/or disturbing. Sexual content. Recommended to 18+ readers** Kurzbeschreibung I had one job - to break her.
