**Von C.J. Box : Breaking Point (Joe Pickett series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Breaking Point (Joe Pickett series):

KrgerIch kannte weder den Autor, noch diese Krimi-Reihe um den Game Warden Joe Pickett, habe mir aber gleich zwei weitere Bcher gekauft. Die Geschichte bewegt sich langsam auf einen Hhepunkt zu, der es schwer macht, das Buch aus der Hand zu legen. Mir gefllt auch das Setting: keine Grostadt, sondern die wilde Natur

der Berge von Wyoming und des Lebens der Jäger und Farmer dort, die eine Welt für sich bilden. 1 von 1 Kunden fanden die folgende Rezension hilfreich. I read them all ! Von E. Mourey Joe Pickett and his family became my friends. I began with the first crime novel and bought one after one, until I finished the last one in the series. I hope, there will still be another one to follow! I can only recommend them as very well written, page turning adventures/crimes, where you in the same time learn a lot about the beautiful nature of the Big Horn Mountains and the animals living there! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gewohnt gut Von berlinfan Immer wieder ein Genuss, die Serie um Joe Pickett. Reichhaltige und lebendige Beschreibungen des Natur-Surroundings, gepaart mit ein bisschen Action und Spannung. Nichts Blutnstriges, aber so spannend und mitreissend geschrieben, dass es schwer fällt, das Buch nachts zuzuklappen und bis zum nächsten Abend warten zu müssen.

Kurzbeschreibung Butch Roberson was known to all as a hard worker, a family man, a local business owner. Now he's disappeared, leaving two dead bodies in his wake. Joe Pickett cannot believe the gentle Butch is a cold-blooded killer but when he hears the story of how Butch was bullied by the authorities, of how his longed-for retirement home was taken away from him, of how it tore his family apart he starts to wonder if perhaps the man just cracked. It's an awful story. But is it the whole story? When Joe investigates further, he finds himself in the middle of a war he never expected and never wanted. Powerful forces want Roberson not just caught, but dead and the same goes for anyone who stands in their way. Pressestimmen PRAISE FOR THE JOE PICKETT SERIES: 'I love Joe Pickett' Michael Connelly.
