Von Linda Castillo : Breaking Silence (Kate Burkholder Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Breaking Silence (Kate Burkholder Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. It will be almost impossible for Linda Castillo to top this book!Von Miki101.Micha With very much delight I have read Sworn to Silence (Kate Burkholder 1), and Pray for Silence (Kate Burkholder 2).With both books Linda Castillo has given us

a very different point of view into the Amish community. But this third book tops it all! Three Amish adults, Rachel and Solly Slabaugh and his brother Abel, die in their farm's hog pit. The autopsy reveals that external violence was involved in almost one of these deaths. At the same time series of disgusting hate crimes against Amish People take place at Painters Mill. So Kate Burkholder has to investigate the killing of the Slabaugh family's adults, which left the 4 underage children orphans. And her friend (maybe something more....) Agent John Tomasetti has to look after the motives and culprits of the disturbing wave of violence against the Amish. Investigation for both of them inside the Amish Community is almost impossible because of the policy of privacy the Amish are bound to follow. Outsiders are not very well seen around Amish families at Painters Mill... To complicate everything, the uncle of the children, an ex-Amish like Kate, wants to take them to his farm outside Amish Land and educate them the way he thinks it's best for them. Something the Amish Community would never ever let happen! A "heathen" wants to take care for Amish children - impossible: "Hells Gates Are Open!!!!"! So the whole plot becomes more and more complicated. An insider produces false traces and the real ones are masterly hidden. All that will nearly provoke the death of two other innocent victims, until Kate finds out some very ugly proof... Then she finally will be able to join all the evidence right under her eyes and lead the case to some hell of a verbal (and not only...) duel with the killer. And it will happen in a way I rarely read in a thriller before! So it will be very difficult for Linda Castillo to top this one. But her true followers and readers can always hope - for hope is the last thing to die... 2 von 2 Kunden fanden die folgende Rezension hilfreich. Kates persnlichster Fall Von JOKO Burkholders persnlichster Fall In ihrem neuen Buch 'Breaking silence', lsst Linda Castillo ihre Kommissarin Kate Burkholder, ihren persnlichsten Fall kren. Die Geschichte spielt wieder im Amisch 'Milieu und bei der Aufklrung wird Kate Burkholder tief in ihre Vergangenheit zurckgefhr, sodass es ihr manchmal schwerfällt, einen objektiven Blick zu behalten. In Painters Mill werden immer wieder Hassdelikte auf Mitglieder der Amisch Gemeinde verbt. Vom Abschlachten von Schafen, ber das in Brand setzen eines Buggys ,oder das Zusammenschlagen eines jungen Mannes der Amisch-Gemeinde, der Hass scheint ble Ausmae anzunehmen. Als Kate Burkholder allerdings zu einem Hof gerufen wird, in dem drei Mitglieder der Gemeinde in der Jauchegrube den Tod fanden, ist sie sich nicht sicher, ob diese Morde, die zu Anfang wie ein Unfall aussahen, in diese Serie hineingehren. Schwer gebeutelt wird Kate Burkholder bei ihrem neuen Fall, der ihr sehr an die Nieren geht, kann sie doch fr die Tochter der ermordeten Familienmitglieder viel Verstdnis aufbringen .Sie sieht sich selbst als junges Mdchen und die Zwngge , die die rigiden Strukturen in der Amisch -Gemeinde fr ein junges Mdchen bedeuten. Hlt man sich nicht an ihre Gebote, wird man aus der Gemeinschaft verstoen, oder schwer bestraft. Doch neben ihrem Ausflug in die Vergangenheit, bekommt auch ihre Beziehung zu Tomasetti eine neue Qualitt, die fr die beiden Polizisten, die einen groen Rcksack 'Vergangenheitsgepck' mit sich herumschleppen , nicht immer einfach ist, zumal der Fall, den es aufzuklren gilt, immer verzwickter wird. Ich glaube, entweder man mag Kate Burkholders Flle, die immer irgendwie mit der Amisch-Gemeinde zusammenhngen, oder man mag sie nicht. Ich bin mittlerweile zu einem groen Fan von Linda Castillos Bchern geworden, weil ich einerseits das Umfeld in dem diese Flle stattfinden mehr als interessant finde, aber auch die Protagonisten Tomasetti und Burkholder sehr mag. Figuren mit Ecken und Kanten , die schon einiges erlebt und nicht nur ein' Friede, Freude Eierkuchenleben' gefhrt haben- Solche Charaktere sind ausbaufhig, was Linda Castillo sich auch zunutze macht. Dieses Buch war fr mich wieder viel zu schnell durchgelesen, denn ich habe es in einigen Stunden verschlungen und freue mich jetzt schon auf den nchsten Fall aus Painters Mill. 7 von 8 Kunden fanden die folgende Rezension hilfreich. Almost impossible for L. Castillo to top this book!!! Von Miki101. Micha With very much delight I have read Sworn to Silence (Kate Burkholder 1), and Pray for Silence (Kate Burkholder 2). But her true followers and readers can always hope - for hope is the last thing to die...

Kurzbeschreibung When Chief of Police, Kate Burkholder, is called to a farm in the Amish community of Painters Creek, nothing could prepare her for the horror and tragedy she encounters. Solly and Rachel Slabaugh, and his brother Abel, have drowned in the hog pit leaving the four children as orphans. As the investigation progresses, it seems that the Slabaugh deaths were not an accident, and the case suddenly becomes a murder enquiry. Agent John Tomasetti and Kate have worked together before, and now he is called back to Painters Creek to help seek out the perpetrators of what appear to be serious hate crimes against the Amish. Whether these crimes and the Slabaugh murders are linked is hard to establish because the Amish are very proud and private people who do not enjoy involvement from outside. As the case deepens, Kate develops a bond with the children, particularly the 15-year-old daughter, Solome. Maybe she is reminded of herself at that age, and maybe there's something about this case which stirs up memories for her. The events surrounding the deaths puzzle her something doesn't feel right. As more information comes to light, a tragic incident turns into something much more shocking.

Pressestimmen "In addition to creating exceptionally well drawn characters and crafting a gripping plot that takes some shocking turns to a heart-pounding conclusion, Castillo probes with keen sensitivity the emotional toll taken by police work. The third in this series of thrillers (after *Sworn to Silence*, 2009, and *Pray for Silence*, 2010) is another winner."--"Booklist "(starred review) "Kate's third offers plenty of violence, a surprise ending and some insight into the Amish way of life."--"Kirkus s""Castillo melds deeply flawed characters with a glimpse into a unique community in which isolation can hide a plethora of secrets."--"Publishers Weekly""Castillo has created a gripping series about police chief Kate Burkholder, who was raised in an Amish community but left during her teens, which creates a constant tension between herself and the community but also an understanding of the people involved. Life in the farming area is vividly portrayed and both the sociological background and the physical setting add greatly to the mystery. The mystery is complicated but clearly plotted with a heart-stopping ending."--"RT Book "(4 1/2 stars)"This is the third in a stupendous series . . . Written at a thrilling pace, with haunting images, "Breaking Silence" is a novel worth staying up all night to reach the end."--"New York Journal of Books"
