Von Kindle-KundeI thoroughly enjoyed this book.The two guys (Rick and Owen) are described well and still left me curious about a possible further development.The author seems to know pretty well what he is writing about.I certainly look forward to reading more about Rick Owen!

KurzbeschreibungRick's having a bad day when he's involved in a fender-bender. But when hunky cop Owen stops to help, his day takes a turn for the better. Later that evening, when Owen stops by unexpectedly, he and Rick explore the wonders of breath-play in the hot tub and while handcuffed.This is the first story in the "Rick Owen" series of one-sitting short reads that explore the relationship between two gay men who are into BDSM, breath play, and related fetishes. ***Warning: This 7000 word short story contains some explicit and graphic language. It contain gagging blowjobs, asphyxiation (bagging and drowning), and gay oral sex. It is intended for mature audiences.***KurzbeschreibungRick's having a bad day when he's involved in a fender-bender. But when hunky cop Owen stops to help, his day takes a turn for the better.
