KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nette UnterhaltungVon CustomerBrenda's Christmas Desire ist nette Unterhaltung, die sich leicht lesen lsst und bei dem

man am Ende zufrieden den Kindle zur Seite legt. Es werden sicherlich keine weltbewegenden Probleme gelöst, es ist ein Buch, das unterhält. Mir hat es gefallen, ohne mich wirklich vom Hocker zu reißen. Nett geschrieben, mit fast schon bezogenen freundlichen Charakteren, die man aber trotzdem sympathisch findet.

Kurzbeschreibung Christmas approaches and Brenda Jones has to decide if she is going to let the past hold her prisoner for another year or if she can finally enjoy what Christmas used to mean to her love. DEA agent, Mark Price knows the significance of December fifteenth to Brenda, the anniversary of her parents' death, but when the head of the Nuevo Cartel escapes federal prison he is forced to let her face the day without him, but not completely alone. Can Daisy, a golden Labrador puppy, a huge sale on decorations at the hardware store, and a gift from her aunt restore Brenda's love of Christmas?

ber den Autor und weitere Mitwirkende Sharon Kleve was born and raised in Washington and currently lives on the Olympic Peninsula with her husband. Sharon is a multi-published author of contemporary romance. She loves romance. She loves reading romance, living romance, and especially loves writing about romance. She gets no greater feeling than watching her characters come alive in each other's arms. Most of all, she loves giving her characters the happily ever after they deserve with a few bumps and bruises along the way. One of her favorite things to do is picking up a new book and sinking into the story, immersing herself in the emotions between the characters. She hopes to inspire her readers the same way her favorite authors have inspired her. When not writing, she can usually be found either curled up in her recliner with her cat and a good book, or in the kitchen baking sourdough bread or bagels.
