Von Kimberly Cates : Briar Rose (Celtic Rogues Book 4) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Briar Rose (Celtic Rogues Book 4) (English Edition):

KurzbeschreibungA fairy-kissed Irish healer... Rhiannon Fitzgerald has no memories of her heritage, only her father's

claim that fairies bestowed her gift for healing. Traveling the Irish countryside alone, she cares for any wounded creature in her path. When she stumbles across a half-dead English officer amid the standing stones of Ballyaroon, she senses the turmoil in him and the danger. An English rogue beyond hope... Shot in the standing stones above the ruins, Captain Lionel Redmayne expects to wake in hell for his numerous sins. But when he regains consciousness in a gypsy caravan under the care of a winsome Irish woman and her motley pack of animals he is impressed with the devil's resourcefulness. Dumping the meticulous Captain into such chaos is far more torturous than flames. A chance at redemption... Rhiannon knows there is no place for a free-spirited gypsy in Redmayne's rigid military world.

Redmayne worries that Rhiannon will pay the ultimate price for his sins when his enemies stalk her for daring to help him. And though he wants nothing more than to allow this Irish beauty to lead him from the dark and twisted maze of secrets that imprison his heart, he fears that the only way to save her is to let her go. Or is it possible that a little chaos is exactly what Lionel Redmayne needs to save him from a cunning foe who stalks him still?"Celtic Rogues"1.

Pressestimmen Kristin Hannah author of "On Mystic Lake" "Briar Rose" is everything that a romance should be and more. A haunting, beautifully written love story, it will stay with you long after the last page is turned. Kurzbeschreibung A fairy-kissed Irish healer...
