Von Ross Thomas : Briarpatch before purchasing it in order to gage whether or not it would be worth my time, and all praised Briarpatch:

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. Edgar Award Winning MysteryVon Ein KundeRoss Thomas is a vastly underappreciated writer who sucessfully blends fast-paced dialog, humor and suspense with unique characters and totally original plot twists. If you're unfamiliar with Thomas, this book is the perfect introduction. If you're already a fan and haven't read this one, you've been missing out. The plot doesn't exactly defy description, but a short synopsis hardly does it justice. Like most of Thomas's

novels, Briarpatch tells the tale of murder, politics and corruption. Ben Dill, the likeable-loner hero, comes back to his hometown searching for his sister's killer. The town itself becomes an integral character in the story, and if you are able to guess the identity of the locale, you've solved the OTHER mystery of the book. If you're not already a Thomas fan, you will be after this highly entertaining book. 1 von 2 Kunden fanden die folgende Rezension hilfreich. second best Von R. van Leeuwen Ross Thomas! i found him only last year. i'll buy anything of Ross Thoams, still on sale? or republished. the quality of the printing is poor. the stories have all the same atmosphere. either you like it or you dont. his style varies little. to me he is second best only to McCain, Chandler, Hammet, McBain, Pelicanos, Le Carr, Graham Greene and of course, the best of all in this genre: Elmore Leonard. Briars Patch may be one of the best of Ross Thomas. It,s fun, historical and not to complicated. Anybody knows of books by Ross Thomas been filmed? Robby the Lion in dorf

Kurzbeschreibung A long-distance call from a Texas city on his birthday gives Benjamin Dill the news that his sister--it's her birthday, too, they were born exactly ten years apart--has died in a car bomb explosion. It's the chief of police calling--Felicity Dill worked for him; she was a homicide detective. Dill is there that night, the beginning of his dogged search for her killer. What he finds is no surprise to him, because Benjamin Dill is never surprised at what awful things people will do--but it's a real surprise to the reader. As Newsday said when the novel was first published, "One sure thing about Ross Thomas's novels: A reader won't get bored waiting for the action to start." "Pressestimmen" America's best storyteller." --"The New York Times Book "" America's best storyteller." -- "The New York Times Book "Americas best storyteller." "The New York Times Book "America's best storyteller.
