Von Jayne Castle : Bridal Jitters (Harmony) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bridal Jitters (Harmony):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Incomplete story Von silvia meyer After such an exciting and promising Intro, I was rather disappointed about the fare too short story. It felt like incomplete, or summary or a fraction out of a real book. Krentz did already much better, especially on her Harmony and Arcane series. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Great short story and introduction to the world of Harmony Von Helen Hancox "Bridal Jitters" was originally published as part of the anthology "Charmed" and was then bundled with "After Dark" in the book "Harmony", so this story has turned up a number of times. I originally owned it as part of the "Charmed" anthology and it was head and shoulders above the other stories in that book. Those who are familiar with Jayne Castle's full-length books set on the planet of Harmony,

"After Dark", "After Glow" and "Ghost Hunter" ("Ghost Hunter" was not yet published when I wrote this review), will recognise the setting of "Bridal Jitters". The action takes place in the Dead City of Cadence where Virginia Burch, a Trap Tangler, has found herself engaged to Sam Gage who is a Ghost Hunter. The engagement is entirely a matter of financial sense and convenience to both of them - there are significant benefits to being married for business purposes, and they have agreed to take part in a "marriage of convenience" which automatically lapses after a year unless renewed. Ghost Hunters and Trap Tanglers have different but complementary skills, both of which are generally required for excavation and exploration work in the tombs underground on the planet of Harmony. The previous alien race built huge underground cities but left various booby traps ("ghosts" and "illusion traps") which require people with special psychic powers to remove. Virginia, of course, has fallen in love with her fianc but she's concerned he just sees their future marriage as the business arrangement, and vows to call the wedding off rather than subject herself to such an emotional situation. This is a multi point-of-view book so we know some of Sam's feelings on the subject too - he's afraid of the same thing as he virtually tricked Virginia into the engagement because he does want to marry her. Knowing the author, you know at the beginning it's going to work out OK, the fun is seeing how they get there. The central event in this book is the near-disaster that they face underground and it allows Jayne Castle to use, once again, her titillating sub-plot that also appeared in "After Glow". Apparently after a Ghost Hunter has fought a really big ghost they become exceptionally sexually-motivated for an hour or so and then crash out fast asleep for a couple of hours. In "After Dark" we heard about this phenomenon from Lydia's friend who was dating a Ghost Hunter, in "After Glow" Lydia discovers it for herself, and in "Bridal Jitters" it's the pivotal event which Sam and Virginia experience in order to make them see sense. Although a short story, this didn't feel rushed at all - in fact, it seemed quite a meaty story. It can be read entirely on its own, without reference to any of the other Harmony novels, although it does make a very good complement to those books. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Das war ein erfreulicher Lesegenuss! Von StellaXDieses Buch habe ich sehr genossen, es ist (ganz wichtig!) gut geschrieben, in sich schlüssig, die Charaktere überzeugend und interessant. Für mich war es der erste Ausflug in diese Welt von Jayne Castle, es war auch mein erstes Buch von ihr. Gekauft habe ich es, weil mich die Leseprobe ansprach. Mich würde nun interessieren, ob es weitere Bücher, die ebenfalls in dieser Welt spielen, gibt.

Kurzbeschreibung The novella that introduced the world of Harmony Just below the City of Cadence lie the remains of the Dead City of Old Cadence resonating with the psychic and para energy of its dead souls. While exploring the darkest depths of the city, two business partners discover passions within each other that are very much alive Virginia Burch, a psychic archeologist, can't believe her luck when she meets Sam Gage, a ghost-hunter and owner of prime real estate in the Old Quarters of Cadence, above the Dead City. He offers her his space to live and start up her business. What follows is an even more intriguing proposal to become his wife. Strictly for professional reasons, of course Their marriage of convenience would lead to a very lucrative business partnership, Gage Burch Consulting. Until something throws a wrench into the plan: the undeniable sensual energy that naturally exists between them and a love so strong it could wake the ghosts below Includes a preview of the next Rainshadow Novel, Deception Cove. A seasoned pro. People [Castle] has created a fully imagined futurist world in Harmony. The Seattle Times A master of sexual tension and intelligent banter. Publishers Weekly Bridal Jitters was previously published in Charmed and Harmony. **Kurzbeschreibung** The novella that introduced the world of Harmony Just below the City of Cadence lie the remains of the Dead City of Old Cadence resonating with the psychic and para energy of its dead souls.
