Von Victoria Holt : Bride of Pendorrlic: The Classic Novel of Romantic Suspense before purchasing it in order to gage whether or not it would be worth my time, and all praised Bride of Pendorrlic: The Classic Novel of Romantic Suspense:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Reprint of an old Gothic Suspense classic from a legendary author.Von Detra FitchHaving only been away in a boarding school or on the isle of Capri with her father, Favel Farrington is still innocent in the ways of the world. So when Petroc "Roc" Pendorrlic shows up, Favel is swept off her feet. It is not long before they are wed. Favel is thrilled to be

Roc's wife, but also sad due to the recent death of her father. To help her get passed her father's fatal accident, Roc takes Favel and travels to various romantic cities. Favel is nervous when she finally arrives at her new home in Cornwall. The Pendorrice home is a huge stone mansion with four wings set upon the cliffs of a beautiful beach. Tradition is to keep family members under the same roof, so Favel worries that Roc's family will not like her. Morwenna, Roc's sister, seems to adore Favel immediately. So does Charles, her husband. The couple has preteen twin daughters who are only similar in their outward appearances. Lowella seems bright and hyper. She loves people and is up for challenges. In contrast, Hyson is subdued, reads a lot, and only speaks when she has something meaningful to say. Roc's parents are deceased. His mother, Barbarina, died tragically at a young age. Everyone whispers about an old curse. It is said that the Bride of Pendorrice always dies young and then haunts the halls until the next Bride dies and takes over the haunting. The twins totally believe the curse. But everyone else informs Favel that it has simply been a long run of bad luck. Favel begins to visit their sick and elderly neighbor, Lord Polhorgan. Few actually like Lord Polhorgan, but Favel enjoys his company and their chess games. Visiting the man also lets Favel get away from her new home, where strange accidents have begun to occur. Lately Favel is hearing music and getting glimpses of a lady wearing clothes from a past time. The twins claim it is the ghost of Granny Barbarina. The only time Favel feels safe at home is when Roc is close by her side. But Roc is never around when the accidents and strange events occur. His attitude seems to be changing as well. Often Roc seems to be a total stranger to her. Favel begins to wonder if she really will soon be the next Bride of Pendorrice spirit. **** FOUR STARS! This is a reprint of a Gothic Suspense novel by the legendary author known as Victoria Holt. The story did not hook me instantly. It actually began slow. However, the tension built as the tale progressed and I had no idea if the curse was real or not. Older Gothic stories did not always have happy endings. That fact is what kept me fascinated with the genre when I was a teen. I never knew if the heroine would be okay in the end. The only problem I had with those suspenseful novels was the long-winded narrations. This title is no different in that regard. I found this story to be too slow due to unnecessary explanations, various descriptions with explicit details, and even some reminiscing fluff. But again, this was how Gothic, Romantic Suspense books were written in the past. All-in-all, fans of this talented author and/or of the old, spooky, Gothic tales will be extremely pleased. **** Reviewed by Detra Fitch of Huntress Reviews. 1 von 1 Kunden fanden die folgende Rezension hilfreich. read one and you've read them all Von Ein Kunde I read one Victoria Holt book, and I quite liked it, so I found this one and read it. About half way through I realised that it was exactly the same as the first one I had read, mad a guess on who was the culprit and was correct, because this story was exactly the same as *Pride of the Peacock*. The trick is, think of all the people who could possible have a motive, eliminate them all and see who you are left with. Works every time, as I've since discovered. i found many VH books in the library in Germany, auf Deutsch of course. I read many of them, because I could concentrate on improving my language without having to think about the intricacies of a plot. Then again, you might love predictability, then this is right down your road. 0 von 1 Kunden fanden die folgende Rezension hilfreich. More Mystery than Romance Novel... Von Ein Kunde This book was recommended to me because I had read *Mistress of Mellyn* and loved it. This is the best Holt book! The ending is such a surprise. I couldn't put this book down! Don't be scared off because it says it is a romance because I am a huge Mary Higgins Clark fan and this was almost like her books.

Kurzbeschreibung Favel Farrington meets Roc Pendorrice on the idyllic Mediterranean island of Capri, where she was raised and lives with her father. Roc sweeps her off her feet, taking her from her home by an emerald sea to the ancient family home of the Pendorrices, in Cornwall. His sister and her family await them with open arms, welcoming young Favel. She is the much anticipated Bride of Pendorrice, a name that amuses and flatters her. The castle is beautiful in its way, but the atmosphere is foreboding. Roc's twin nieces begin watching her carefully; even the stones in the courtyard seem to have eyes. On the walls hang portraits of two other Brides of Pendorrice one of them Roc's mother who died both young and tragically. Favel's fear increases as Roc seems to be growing more and more distant. Has her courtship and marriage been just a deception? Soon Favel can no longer dismiss as accidents the strange things happening to her. Someone is trying to kill her and she must confront the very real dangers that surround her. Pressestimmen "Romantic And Filled With Brooding Suspense. What A Knock-out Movie It [Would] Make!" -- The Cincinnati Enquirer "A fast-paced thriller." -- Detroit Free Press Kurzbeschreibung Favel Farrington meets Roc Pendorrice on the idyllic Mediterranean island of Capri, where she was raised and lives with her father.
