**Von Christina Skye : Bride of the Mist (Draycott Abbey Romance Book 3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bride of the Mist (Draycott Abbey Romance Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. My favorite by Skye, so farVon Laurie GoldBride of the Mist is a quick-reading, suspense-filled, erotic love story set amongst the majesty of the English and Scottish countryside. Overflowing with lush descriptions, second-sight, a ghost and a cat, this is a page-turning, heart-stomping tale of a love between man and woman that endured throughout time. Although primarily a contemporary romance, the story is mirrored by a tale of long ago between a beautiful mute girl, a Crusade-worn knight, and his evil brother. Their tale and destiny are to be re-lived by their contemporary counterparts, the beautiful American Kara Fitzgerald and the rugged Scots laird, Duncan MacKinnon. They are thrown together because of her gift of second sight - through touch she can see and feel events and emotions. Skeptical at first, Duncan accepts her gift and they begin a dangerous adventure that could bind them together, in life or in death, if Duncan's evil (and supposedly dead) brother has his way. The magical mysticism of Scotland adds unique flavor to this tale. Because of his heritage, Duncan also knows a thing or two about "the sight". He and Kara believe they are fighting against a destiny doomed to destroy him, and, as heroes are wont to do, he would push her away to protect her. Kara, on the other hand, believes that her gift is what has cost her love in the past, for she believes no man would want to share himself as totally and completely as would occur with her. Their healing of each other, as is usual in romantic fiction, is quite unique due to the nature of Kara's gifts. It is Duncan's task to restore her confidence as a woman. Because of their unique connection with each other, Kara can see in her mind and feel in her being Duncan's desire for her and the things he would do with her - it sure is getting hot in here, isn't it?. Their intimacy is wet, hot, and very sexy. As they work together, first to protect their inner selves from each other, than to save each other, it is easy to get caught up in their adventure. In general I have found that romances 400 pages in length are padded by 40 to 60 pages of unneeded verbiage. This book is not padded. Each page allows Kara and Duncan's relationship to build as both the past and future unfold. Each page is filled with the the flavors of danger, suspense, and the connectedness of these two people. Wow - what a good book! TTFN, Laurie Likes Books Publisher, All About Romance0 von 0 Kunden fanden die folgende Rezension hilfreich. This deserves MORE THAN 5 STARS! Von R. Wong After reading Christina Skye's historical romances, I was reluctant to give the Draycott Abbey series a go. You see, I'm a romance freak, and somehow, I've always preferred historical romances to contemporary ones. But, as luck would have it, I finished all her historical romances, and I was starved for more of her writing. In the end, I gave up, and decided to try and give it a shot. I wasn't very hopeful that I would like it - I mean, how real can it be, a contemporary romance with a resident ghost?! I had to eat my words. I loved every page of her book! Now, I'm hooked, and I can't wait to get my hand on her remaining books. In fact, from now on, her name will be signature enough for me to buy ALL of the books that she has, published. I just pray feverently that she will not neglect the historical romances she weaved so well - I'm dying to know what happened to Conner Mackinnon, Duncan Mackinnon's ancestor!! Somebody please tell Christina to follow up on that one! With one to two books out each year, Christina Skye can't write enough to satiate my thirst for her books! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Intriguing Von Ein Kunde The Bride of the Mist is a very good book. However, it was unnecessary to have the main characters' full names every twenty pages. All in all, it is still an interesting book. The hero, Duncan Mackinnon had the good sense to still want the heroine despite the fact that it was the honorable thing to leave her. Most heroes leave the heroines because they think they don't deserve them. It isn't until the end of the story when the heroines are saved, then the heroes want to have the heroines back into their lives. Kara Fitzgerald, a brilliant woman with the ability to foresee danger in the future and know what people are thinking. Kara was hurt once very badly, but she still accepted Duncan's proposal. Kara still believed in love despite her past. The hero and the heroine are both fascinating characters. The secondary characters make the book more interesting. If there ever were a Draycott Abbey book that must be read, then the Bride of the Mist is the right choice. Five stars for Christina Skye.

Kurzbeschreibung Drawn to Scotland by dangerous, compelling dreams, Kara Fitzgerald must help a man in mortal danger, using all the force of her psychic visions. But the aristocratic Scotsman, security expert Duncan MacKinnon, has no time for vague warnings or beautiful women claiming to see visions of his future. Even though this beautiful stranger knows far too much about his private life. When coincidences begin to pile up, the rugged Scotsman sweeps Kara north to his brooding highland castle, where the two are caught by blinding desire. Strangest of all are their hotly sensual memories of being lovers ... separated centuries before. Though it defies all logic, Duncan accepts Kara's visions and her help to confront a boyhood tragedy. For her part, Kara needs Duncan's strength to help re-awaken the eternal passion that will protect them as an old enemy stalks the crags of Dunraven Castle.
