**Von Molly Noble Bull : Brides and Blessings** before purchasing it in order to gage whether or not it would be worth my time, and all praised Brides and Blessings:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An uplifting and entertaining read with a message.Von Ein KundeIdentical twin sisters, separated at birth, find each other as adults. One is a famous movie star, freshly dumped by her boyfriend and in serious need of a rest; the other, a small town church librarian. Knowing her sister needs to know God even more than she needs normalcy and a good rest, the church librarian and dedicated Christian, Holly, convinces her sister to trade identities for six months. Suzann Condry, the movie star, agrees, enchanted by the prospect of a normal life. However, the handsome assistant pastor at the church in Oak Valley, Texas, Josh Gallagher, takes notice of the slight change in "Holly," and soon finds himself preaching sermons about how a man will know the one woman God intends to be his wife. In the meantime, the real

Holly discovers her own true love in the form of pediatrician Shawn McDowell, who was assigned to help her negotiate the pitfalls of Hollywood. But again, the slight differences in the new "Suzann" attract the attention of Suzann's old flame, a handsome star who sees getting Suzann back as just another ploy to obtain publicity. Both sisters have their problems as they negotiate each other's life and work through their own problems. Suzann discovers God is indeed real and does care for her, and that she's worthy of a good man's love, while Holly finds that true love stands by her through facing her worst fears. By the time of the big double wedding at the end, both sisters have learned a lot about life and love, and each other. I enjoyed this book thoroughly, and found myself rooting for each sister as she confronted her worst fears during the process of finding true love and happiness.0 von 0 Kunden fanden die folgende Rezension hilfreich. Inspiring, faith-lifting storyVon Ein KundeThis delightful story follows two heroines through their trials of faith and love; Ms. Bull tackles this difficult plot with fresh insight and exciting twists and turns. She has the gift of allowing us to know and like both sisters, and she writes of lovely places which we'd like to visit. The two heroes are the kind of men any woman would adore. Her other, lesser characters really make this story more colorful. The church and Hollywood settings are realistic and believable. The inspirational message is beautifully woven throughout the story. I've recommended this book, and have bought copies for friends.0 von 0 Kunden fanden die folgende Rezension hilfreich. She captures you from the first sentence!Von Ein KundeMolly Bull captures you from the first sentence with everyone's most cherished fantasy -- to live someone else's life. Add to that not one, but TWO, captivating romances, and you have a story to keep you entranced until the last page. She wastes no words as she keeps the story moving along until its "twin" satisfying conclusions. A must read!

KurzbeschreibungFROM MOVIE STARTO A PASTOR'S WIFE?Actress Suzann Condry took on a tough role when she traded lives with her twin sister, Holly. Suzann needed to get away from Hollywoodand Holly believed Suzann might find both peace and faith in charming Oak Valley.Anything can happen when twin sisters trade lives!Could Suzann convince everyone she was the sweet church librarian? Especially Josh Gallagher, the handsome assistant pastor who looked like a rugged rancher. Suzann feared he suspected heruntil he asked for a date. She soon dreamed of an "ordinary" life as Josh's wife. But would Josh still love her once he learned her true identity?KurzbeschreibungFROM MOVIE STARTO A PASTOR'S WIFE?Actress Suzann Condry took on a tough role when she traded lives with her twin sister, Holly. She soon dreamed of an "ordinary" life as Josh's wife. But would Josh still love her once he learned her true identity?AutorenkommentarTwins have always fascinated me.My paternal grandmother was a twin, and the thought of writing about twins intrigued me. The possibility that my novel might point others to the Lord, blessed my heart. Some describe true Christians as judgmental and mean-spirited. But I've found them to be just the opposite. I hope my readers will think the characters in Brides And Blessings are kind, happy Christians--that they enjoy life to the fullest--and have a sense of humor. Love and Blessings to all.
