**Von Rachel Astor : Bridesmaid Lotto (McMaster the Disaster Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bridesmaid Lotto (McMaster the Disaster Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sex-and-

the-City, aber schlechter dargestellt Von Roxy\_80Na klar, dafür dass das Buch ja kostenlos ist, durchaus annehmbar, auch der Grundgedanke ist echt witzig, keine Frage. Was ist zum Beispiel strend fand, das waren die ausführlichen Beschreibungen der Outfits. Es ist als wäre das ganze von einem Bunny für andere Bunnys geschrieben worden. Man hätte das ganze deutlich verkürzen können. Der Traummann wird dafür nur zu knapp dargestellt. Klar, dass er heiß aussieht, aber man sollte schon mehr bieten. Also alles in einem, es ist nett, aber man muss es nicht unbedingt lesen. Allerdings habe ich auch schon deutlich schlechtere free-books gelesen, von daher 3 Sterne. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gute, lustige Geschichte/ Nice and funny story Von Silvia Ein überraschend gutes Buch, das aus der Ich-Perspektive erzählt wird und ein bisschen was von einer Aschenputtel-Geschichte hat. Es ist verständlich geschrieben und an manchen Stellen, wie etwa bei den Einträgen in das Katastrophen-Tagebuch, sehr lustig. Werde die anderen beiden Teile der Triologie auf jeden Fall auch lesen. Surprisingly, a really good book. It's written in first-person perspective and reminds the reader of a cinderella story. Sometimes it's very funny, especially the disaster diary. I am looking forward to the other two books of the trilogy. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nett und unterhaltsam... Von Agnieszka... aber eben nicht mehr. Die Geschichte ist ganz gut geschrieben, wenn manche der Verwicklungen schon fast zu sehr erzwungen wirken. Sie ist sehr witzig und romantisch und eignet sich sehr gut für verregnet Herbstabende, oder wenn man oder eher frau etwas zum Abschalten ohne jeglichen Anspruch über den reinen Unterhaltungswert hinaus sucht.

Kurzbeschreibung Book 1 in the USA Today Bestselling McMaster the Disaster series. Josephine McMaster is pretty and smart, but very much a klutzy mess. Finally, at 26, she may have actually lost the dreaded McMaster the Disaster nickname that has followed her around her whole life. Josie's quite content to be single, much to her mother's disappointment. So when a bizarre contest is announced where a socialite is holding a lottery to pick her bridesmaids (and rake in a little extra cash), she can't roll her eyes fast enough, even if it does mean meeting Jake Hall, her one and only movie star crush. Obviously, Josie doesn't enter the bridesmaid lottery, so you can imagine her surprise when her picture pops up among the winners, thanks to Mom. With a little prodding -- okay bribing -- Josie agrees to participate. The wedding turns into the event of the year, and Josie finds herself in the middle of a paparazzi feeding frenzy, which gets even crazier after Jake Hall takes a special interest in her. Can Josie handle the pressure in the spotlight? Is it possible she might really have a chance with Jake Hall? And if she's busy worrying about all that, how in the heck is she going to keep McMaster the Disaster from showing up in front of the entire world?
