Von Anne Bishop : Bridge of Dreams (Ephemera) before purchasing it in order to gage whether or not it would be

worth my time, and all praised Bridge of Dreams (Ephemera):

Kurzbeschreibung Return to New York Times bestselling author Anne Bishop's Ephemera, a world of strange and magical landscapes connected only by bridges that may transport you where you truly belong, rather than where you wish to go. When wizards threaten Glorianna Belladonna and her work to keep Ephemera balanced, her brother, Lee, sacrifices himself in order to save her and ends up an Asylum inmate in the city of Vision, far away from all he knows. But a darkness is spreading through Vision, perplexing the Shamans who protect it and Lee is the only one who can shed any light on its mysteries... Includes the Ephemera novella The Voice. Pressestimmen An imaginative world. Night Owl s Bishop has a wonderful way of creating new characters [and] new worlds that are mind-boggling. The Reading Cafe A super-fast-paced, exciting thriller.
