Von Linda Lael Miller : Bridget (Women of Primrose Creek) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bridget (Women of Primrose Creek):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Start of a good romance seriesVon Ein KundeShe grew up inside a fancy home on a Virginia plantation, with servants to cater

her every whim, but the Civil War changes Bridget McQuarry's lifestyle. Her husband died while fighting for the Union. Bridget must raise her son Noah and her younger sister Skye by herself. They travel to Primrose Creek in the Nevada Territory to claim the land left to them by their grandfather. Homesteading proves to be hard work, but Bridget keeps doing the job. Bridget's childhood friend Trace Qualtrough arrives unannounced. He declares that he will wed Bridget before the year is out. Bridget is appalled at Trace's gall, refusing to give his proposal any thought. However, the veteran does not leave and begins working on her land and is determined to make Bridget his bride. Bridget fights her own feelings for the man who has always loved her, until a near tragedy opens her eyes to what is truly important. Anybody who enjoys reading about the pioneers who tamed the West will enjoy **THE WOMEN OF PRIMROSE CREEK: BRIDGET**. The enjoyable story line centers on the "feud" between the hero and heroine. This tale will bring a smile to the audience who will be pleased that Linda Lael Miller's next release in this warm saga is next month.

Harriet Klausner 0 von 0 Kunden fanden die folgende Rezension hilfreich. What's happened to Linda Lael Miller's writing? Von Laurie Gold First off the bat, I'd like to say that I'm not a big fan of these "mini" books culminating or beginning in a full-length historical. It's very difficult to set a historical scene, introduce a variety of characters, and tell a love story in 150 pages. The only book that truly worked for me in this format was Julie Garwood's *One White Rose*, and that was because it was primarily a Cabin Romance with two characters for most of the book. Bridget is not - it sets out to not only introduce a place and time, but an entire series. While there are glimmers of a really good read in this short piece, too much is left out in the way of the lead characters' backgrounds to make the romance truly effective. And, one more thing - LLM used to be known for her scorching sensuality, but her most recent romances have been very tame. I'll admit she used to go over the top with characters' reactions to one another, but this is a major, major change, and those expecting vintage LLM should know her recent work is very, very tame.

TTFN, Laurie Likes Books Publisher, All About Romance 0 von 0 Kunden fanden die folgende Rezension hilfreich. Another exciting series from a world-class author. Von Sharon Galligar Chance Once again, beloved romance author Linda Lael Miller brings to life an exciting series of stories about a group of women who overcome incredible odds to find lives filled with happiness and love. Readers who loved Miller's Springwater series should also enjoy this new line of tales featuring *The Women of Primrose Creek*. Set in the Frontier West, the four women all share strengths and passion that will make these characters unforgettable. This first novel, which features Bridget McQuarry, sets the stage for the upcoming stories due to be released this summer. Miller defines the characters and situations, and all the reader has to do is just sit back and enjoy. Sharon Galligar Chance

Kurzbeschreibung They are the women of Primrose Creek, and their strength and passion is a match for the Nevada frontier they call home. Linda Lael Miller masterfully captures the hardships and dangers of a country swept by the winds of war -- and the daring and determination, the hopes and dreams of four unforgettable women -- in a thrilling new series. When Bridget McQuarry comes to settle in Primrose Creek, she has nothing to lose; her husband, Mitch, was killed in the Civil War, and she has lost her family farm to ruinous Reconstruction taxes. With her baby son and a sister to care for, Bridget vows to make a new start out West. But when Mitch's best friend reappears in her life, he sparks a forbidden passion she thought was forever buried. Trace Qualtrough grew up with Bridget and Mitch -- three happy childhood friends. But the attraction that fluttered between him and Bridget was silenced when she married Mitch. Now, Trace has come to fulfill Mitch's final wish -- to watch over the lovely, spirited Bridget. And now, Bridget and Trace must discover if their restless desire is a shattering betrayal -- or something sweeter the second time around.
