obwohl es eigentlich mehr deren Gegebenheiten unter der Grtellinie sind, kann man sich vorstellen, dass die Schilderungen zwar "tiefgrndig" sind, sich aber aufs Anatomische beschrnken. Und da die Praktiken eigentlich auch immer dieselben sind, drfte der Text nicht viel lnger sein, ohne malos zu langweilen. Am Anfang wird angedeutet, dass da mehr sein knnte, was sich dann aber als falsch herausstellt. Schade! Ich gebe nur deswegen 3 (2,5) Sterne, weil der Text recht humorvoll ist - aber mehr nicht!

Kurzbeschreibung He's young, he's hung and now he's discovered he loves dick he's on the hunt for as much as he can get. But will his meeting with the shy and timid Dave stop him in his tracks? Follow his exploits as he hones his craft and occasionally gets more than he bargains for. Dark British humour, definitely not romance and not for the faint hearted. Short story circa 8,400 words. Adults Only. Please note that Brief Encounters is a rework of an earlier story called More Dick with new ending. If you already purchased More Dick you may not wish to purchase Brief Encounters.
