Gelungene FortsetzungVon S. ReimerLesser Evils setzt die spannende Geschichte um Farideh, Havilar, Brin und Lorcan nahtlos fort und fhrt zuztlich mit Dahl Peredur noch einen neuen interessanten Charakter ein. Spannend ist wieder - genau wie in "Brimstone Angels" - die Entwicklung der Charaktere. Im Vergleich zu den Salvatore-Bchern ist das Buch deutlich wenig Action-haltig - was meiner Meinung nach aber genau den besonderen Erzhlfluss der Geschichte ausmacht.

KurzbeschreibungWell, I'm now behind on my own writing, because I couldn't tear myself away from Lesser Evils. Then again, I'm only behind by a single day--because I really couldn't tear myself away from Lesser Evils. If the next one's not out until tomorrow, it's still too far off. And if Evans is not already a name spoken of as part of the trueForgotten Realms pantheon, along with Kemp, Cunningham, and Salvatore, it can only be because she has fewer books out, and thus hasn't reached everyone yet. Ari Marmell, author of Agents of Artifice, The Conqueror's Shadow, and the Widdershins Adventure seriesLesser Evils is incredibly immersive and technically brilliant. I love the complex characters and layered plot, and the dialogue is sharp, natural, and brimming with personality. Its one of those books where you forget about the fact that you're reading a book, and just experience the story as though you were there. Erin M. Evans has a rare talent. She's one to follow for sure.Susan J. Morris, author of Writers Dont Cry column on Omnivoracious, an .com books blog Lesser Evils will leave you begging for more from Erin M. Evans. Intrigue upon intrigue and a host of unforgettable characters interwoven into a plot that is riddled with heart-stopping action.Who could ask for more! Chris A. Jackson, award-winning author of Scimitar MoonOverview:Mere weeks after escaping Neverwinter, Faridehs dreams are still haunted by Lorcan, the cambion devil whose power fuels her own. One of only four known descendents of the original Brimstone Angel, Farideh has no regrets about the pact she made with the devil. But no one in the Hells knows that she has a twinan impulsive eager sister, just waiting to be corrupted. At least as long as Lorcan can keep her secret. Determined to protect her sister, Farideh searches for a ritual that could call Lorcan out of the Hells. But in the midst of her hunt, shes drawn into an assignment for the secret society the Harpers, an assignment which leads her and a ragtag group of allies to an ancient Netherese library deep underground. While the group combs the site, dodging ghosts and magical traps, Farideh discovers a magical book whose pronouncements throw into question everything she thought she knew about herself and her sister. The more the Book gives up its macabre secrets,the more one thing becomes clara traitor lurks among them.Read More: If you are looking for more from Erin M.
