Fesselnd!Von BillionaireIch habe mir dieses Buch bestellt, weil ich letztes Jahr total begeistert von der Serie gewesen

bin und jede Woche gespannt auf die neue Folge gewartet habe. Als ich hrte, dass die Serie jetzt auch in Form eines Buches verffentlicht werden soll, war ich erst etwas skeptisch. Kann ein Buch spannend sein, auch wenn man die ganze Story und auch das Ende schon kennt? Ja, es kann! Ich war von der ersten bis zur letzten Seite gefesselt von diesem Buch! Absolut empfehlenswert - nicht nur fr Fans!0 von 0 Kunden fanden die folgende Rezension hilfreich. Great Look behind the seriesVon Anna SteinackerI truly enjoyed this book. The series is just so fascinating and interesting. But although you know the story the book gives you an unique insight in the characters minds. Especially DI Hardy...0 von 0 Kunden fanden die folgende Rezension hilfreich. ganz spannendVon LoneyBin mit der Lektre noch nicht durch, aber lese jeden Abend vor dem Schlafengehen und bis jetzt bin ich ganz zufrieden. Ich wrde auch gerne die Fernsehserie dazu sehen.

KurzbeschreibungInspired by the first season of the BAFTA award-winning ITV series, this is the official, unmissable Broadchurch novel. Incredibly moving and containing never-before-seen material, it takes you inside the minds and motivations of the unforgettable cast of characters.It's a hot July morning in the Dorset town of Broadchurch when Beth Latimer realises that her eleven-year-old son, Danny, is missing. As Beth searches desperately for her boy, her best friend, local police officer DS Ellie Miller, arrives at work to find that the promotion she was promised has been given to disreputable Scottish outsider DI Alec Hardy.When Danny's body is found on the beach Ellie must put her feelings aside as she works with DI Hardy to solve the mystery of Danny's death. As the case becomes a murder investigation the news hits the national press, jolting sleepy Broadchurch into the national spotlight.As the town's secrets begin to unravel, members of this tight-knit community begin to consider those in their midst. Right now it's impossible to know who to trust...PressestimmenThe narrative allows for an insight into the mindset of the characters - from the baffled detectives to the raw despair of Danny's parents...a crackingly well-constructed crime story, with a wonderfully shocking conclusion. (Sunday Mirror)Kelly's novelisation of the eponymous British TV series, works as both a classic puzzle and an unnerving portrait of a little English town wracked by a young boy's murder... Kelly folds a loving portrait of rural Dorset and a well-made whodunit into a painstaking account of the grief and unimaginable pain that follow in the wake of one child's murder. (Kirkus Starred)Loved the ITV series? Then you'll adore this clever read from psychological-thriller queen Erin. While a book based on a TV show shouldn't work, this really does...the big reveal still gives you a massive kick in the gut. (The Sun: Fabulous Magazine)This is the author's own take on the story, with even more atmosphere, emotion and twists than the TV original. (Essentials Magazine)With the addition of new material never seen on screen, Kelly takes a fresh perspective on the murder investigation, particularly the breakdown of a close-knit community. Whether you've seen the series or not, this is definitely worth your time. (Bella Magazine)Kelly takes ownership of this novelisation by exploring characters' relationships and unvoiced emotions; she's masterful at weaving unbreakable connections between characters, and then tainting them with fear, guilt, and suspicion...a must-read for followers of character-driven police procedurals like those of Elizabeth George, Denise Mina and Tana French. (Booklist)Kelly has completely captured the rolling tension, cinematic detail and superlative characterisation of the [TV] programme...and even if you are new to the story, you will be instantly mesmerised...Original viewers of Broadchurch will quickly identify the little twists and new details added to the novelisation - a neat touch that enhances the story even further. Whether or not you were a fan of the TV show, this is one crime book that does not disappoint.
