KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Part two of the Sacred heart seriesVon MagritteWe have already met Dray in the first book of the sacred heart series . Shattered and scarred.I have to admit that I wasno fan of Dray, but then he had reasons to be as he was.And then he meats Evy

and he can't abandon her to her fate...Evy has a terrible day, her car breaks down and then Dray brings her home to her boyfriend her entire world shatters. She discovers him with another woman. So Dray decides to take her in, to take care of her... what he didn't decide was to fall in love with her and he falls hard, but she catches him so tenderly. Both discover what it means to be everything for the other. So I finished this one, like the first one in a day as well. How long do you think will I take for book 3? Enjoy the read MBTM

Kurzbeschreibung Hes Broken Dray, Vice President of the Sacred Hearts MC, watched his mother die in a bloody hail of bullets at the tender age of sixteen. It broke something inside of him and he's been pretty much pissed off at the world ever since. Worse, he's done things since that time that have just broken down his soul even further. Dray doesn't want to be that guy anymore. Then came Everett Moran. She's been burned. Evy is having one of the worst days in the history of, well ever, and she's seen a lot of rough days. Raised an only child of a single father, Everett finds herself an orphan before she's even old enough to drink. She knows a thing or two about loss and thanks to her boyfriend, she's had more than a few lessons in hardship too. Still, she moves through life with a single minded determination to make her circumstances better. She harbors no illusions about life being anything other than what it is, so how in the hell could she have been so blind as to what her boyfriend Jerry was doing!? Could the worst day of Everett's life actually turn out to be the best thing to ever happen to her when she pulls into Dray's garage? Could Everett's arrival on Dray's doorstep herald a new beginning for Dray, and heal some of his broken? **Mature Audiences Only (18+)**
