Von James Carol : Broken Dolls (Jefferson Winter) before purchasing it in order to gage whether or not it would be worth my time, and all praised Broken Dolls (Jefferson Winter):

KurzbeschreibungThe first in James Carol's thrilling Jefferson Winter series, Broken Dolls offers rapid-fire suspense and a chilling look into the mind of a criminal - and into the mind of the one man who might be able to catch him.Ex-FBI star profiler Jefferson Winter is no ordinary investigator. An eccentric genius and self-described geek with a passion for Mozart, he is haunted by the legacy of his notorious serial killer father...and not likely to admit this may be why he has such a phenomenal insight into the psychology that drives the criminals he hunts. The former G-man is now a sought after freelance consultant, jetting around the globe helping local law enforcement agencies with their toughest cases. When Detective Investigator Mark Hatcher calls from Scotland Yard about a particularly disturbing case, Winter leaves his native California for the chilly streets of London to help track down a sadistic serial kidnapper. Four victims, all young women, all tortured and then lobotomised. None of them able to tell the police the name of their attacker. None of them able to live normal lives again. Just broken dolls, played with then discarded.When another young woman goes missing, Winter has to race against the clock to identify the attacker and find the latest victim before it's too late.James Carol's breakout debut novel takes readers on an action-packed rollercoaster ride that fans of Criminal Minds, Silence of the Lambs, Sleepy Head, and the Jack Reacher and Alex Cross series won't want to miss. More Jefferson Winter Thrillers:Jefferson Winter returns in Presumed Guilty (July 2014), the first in a series of ebook novellas chronicling Winter's FBI days, and Watch Me (August 2014), the second full-length novel in the Winter series.Also in the works: Television rights for Broken Dolls have been optioned by Sprout Pictures, the production company behind the Emmy award winning SKY comedy Moone Boy. The company is planning to adapt the novel into a major TV series, provisionally titled WINTER.
