When she landed the star football player in high school no one was surprised, not even Whitley. She dreamed of a life with Roger living in New York City and happily followed him there. The first time Roger hit her for arguing with him about a dinner party, she forgave him. The more it happened, the further Whitley withdrew from her friends and family. One fateful day things go to far. Whitley makes a promise to herself and finds the courage to do the one thing she thought shed never be able to do. Fleeing with her best friend Courtney, Whitley was determined to put her past behind her and start a new life in the small town of Llano, Texas, where no one would ever find out about her past. ber den Autor und weitere Mitwirkende Kelly Elliott is married to a wonderful Texas cowboy who has a knack for making her laugh almost daily and supports her crazy ideas and dreams for some unknown reason...he claims it's because he loves her! Shes also a mom to an amazing daughter who is constantly asking for something to eat while her fingers move like mad on her cell phone sending out what is sure to be another very important text message. In her spare time she loves to sit in her small corner overlooking the Texas hill country and write. One of her favorite things to do is go for hikes around her property with Gus....her chocolate lab and the other man in her life, and Rose, her golden retriever. When Kelly is not outside helping the hubby haul brush, move rocks or whatever fun chore he has in store for her that day, youll find her inside reading, writing or watching HGTV.
