**Von Lilah Suzanne : Broken Records (Spotlight Series: Book One) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Broken Records (Spotlight Series: Book One) (English Edition):

Now I can be looking forward to the next book.I really enjoyed this a lot. I adore Ms

Suzanne's writing style and after having read her previous works I trusted her to once again introduce me to charmingly flawed and human characters I'd want to be friends with, and I was not disappointed. A wonderful read!
