Breaking more than the silenceVon Jean SmithQuiet, unassuming Paul has paid a lifetime over for speaking out of turn as a child. The cruelties of a deranged alpha stole his voice and relegated him to a world of silence. All his aspirations to advance in the pack were stripped and now he lives as a lowly omega serving the pack. That is until the

effervescent PG explodes into his life. Never again will he be silenced because for the first time hes able to speak. For the first time hes using all the ASL hes learned. The only problem? He isnt able to tell his mate about his wolf. How is he to claim her if he cant break that silence? Then fate and the moon played their handsPG is between grants and looking for new focus. A trip to visit her old classmate and colleague, Saja might just steer her in the right direction. Shes spent her recent years studying the dynamics of BDSM but even with all the current trends since 50 Shades no one is opting to approve a grant for further study. Now shes at loose ends. Then she walks into the bar where shes meeting Saja and spies the hottest man. Finding out hes mute doesnt slow her down one whit in approaching him. Having spent years communicating with her grandmother in ASL and providing translations shes quite adept at going after what she wants and she definitely wants this hottie.I loved Broken Silence. There is just something about the wounded hero that really gets to me. Watching Paul break out of his shell was inspiring. And talk about chemistry these two have it in spades. If youre looking for a hot shifter romance with a touch of BDSM then youre gonna love Broken Silence. What a wonderful addition to the Black Hills Wolves series.*****Reviewed for Xtreme-Delusions*****0 von 0 Kunden fanden die folgende Rezension hilfreich. Broken SilenceVon Ingrid Stephanie JordanTitle: Broken SilenceSeries : Black Hills WolvesDestination: Book #42Author: Jennifer KaceyReviewer: Stephanie JordanGenre: #Paranormal. #WolfShiftersMy Score: 5 Stars At this point Black Hills Wolves has many authors with each author having there own way to write YET, every Black Hills Wolves Book is a phenomenal Must Read book.Paul finally gets his story told. He's been in and out of many books. But now we get to hear of his disgraceful torture by the wretched Magnum. When Paul was 12 years old he found food, Magnum was hiding, yet everyone was starving in the pack, Magnum tells Paul to forget what he saw. But Paul thought of all the food and told the Crazy Alpha about it. That's when the Alpha and several of his men took Paul and decided they were going teach him and everyone in the pack a lesson especially to those who thought of speaking out against their Alpha, so Magnum slashed Paul's throat and cut his tongue out.Presley Ginger finally found Saja after all these years of losing touch she was going to see her again. It was weird because someone had to pick her up and she could only stay a few hours. As looked around the bar everyone looked and there was Saja.Having a good chatting it up PG noticed there waiter speak finding out he was mute and a hunk she went to his side and started talking with sign language. And so it began!I was gifted this ARC for an honest and truthful review.

KurzbeschreibungMore than a decade before, when Paul was nothing but a child, fate dealt him a hand he couldnt win. Silenced him forever for speaking out against the former Alpha, stole his destiny, and robbed him of his place in the pack.Presley Ginger, a tiny human female, couldnt have been further from what he expected to walk into the bar and alter his future. But he couldnt tell her anything about his wolf or his shift. Nothing. Bound by a direct order from the enforcer to keep her in the dark, his need for her would never see the light of day. Then the moon rose above him in the presence of his mate and changed everything.For years, in the background is where he stayed, unable to find his voice. Until his rainbow-haired mate showed up in the Black Hillswith the answer in her hands.KurzbeschreibungMore than a decade before, when Paul was nothing but a child, fate dealt him a hand he couldnt win.
