**Von M.R. Forbes : Broken (The Divine Series Book 3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Broken (The Divine Series Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Loads of Action, but ...Von Uri... Although I liked the predessors a lot, this book only gets 3 stars. It contains loads of action but

if you lose the fight for the world in every single chapter eventually it gets depressing and - despite all the Action - a bit boring. So maybe part 4 reaches the old level again.

Kurzbeschreibung My name is Landon Hamilton. I'm the only thing keeping the universe in one piece. I thought fighting angels and demons was a tough gig, but now I'd give anything to go back to the not-that-good, not-so-old days. There's a new game in town, and it's one that's threatening to destroy everything that has ever been created. Oh, and my friends and I are the only ones who can stop it. Game on.
