**Von Beth Ashworth : Broken Truth (Broken Hearts Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Broken Truth (Broken Hearts Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great

read Von Philomena (Cheekypee) I so enjoyed this book. Going through the other reviews I thought maybe I read a different book!! Yes parts of this book is a little far-fetched but it's fiction. If I wanted to read a true story I'd have chosen a true story to read!! Now about this story... I just loved Charlie. She's a hot headed yet strong character. As for Callum he's so hot. Charlie's life is turned upside down when she realises the last fifteen months were based on lies. This is a pretty fast paced book which I enjoyed reading in a day. I enjoyed the storyline and certainly didn't expect it to go the way it did. Received in return for an honest review.

Kurzbeschreibung Life for Charlotte (Charlie) Harris couldn't be any better at this moment in time. She has her dream job, she has the extremely wealthy knight in shining armour and she has the best friends a girl could ever ask for. On paper, the beautiful world unfolding at her feet almost appears too good to be true for a working class girl from Manchester right? But what happens when you gloss over the statistics and realise that the happy bubble you have been living in for the past fifteen months has all been a twisted, torturous path of lies? What if you realised that the person you loved wasn't who they claimed to be any longer? With the once sacred and happy memories now turned into hatred and despair, Charlie must now follow her instincts to either forget her past and move on or force the hand that holds the cards to her life to reshuffle the deck before it leads onto the twisted future that lies in store. What will she choose? Can she forgive and forget for the only man her heart has ever loved? (Please note that this book contains strong language and graphic scenes of a sexual nature which are intended for a more mature audience.)
